

Work to start on the final new overtaking lane on the Newell Highway near Narrandera on 15 May 2023

The Newell Highway Program Alliance is building the final overtaking lane at Bundidgerry near Narrandera to improve safety, reduce travel times and improve freight productivity.

Transport for NSW | May 2023

Work will start on the final new northbound overtaking lane along the Newell Highway about two kilometres north of Narrandera. The overtaking lane is expected to be completed in about seven months, weather permitting.

Initial work includes establishing a site compound, stockpile site and fencing. Other work to be carried out includes installing environmental controls, removing vegetation, and road widening.

We will be working on a two-week rotating roster as below:

- **Week 1: 7.00 am and 6.00 pm from Tuesday to Friday; 8.00 am and 6.00 pm on Saturday and Sunday**
- **Week 2: 7.00 am and 6.00 pm from Monday to Thursday; no work from Friday to Monday**

We will keep the community regularly informed about the progress of the work and any traffic changes. Once completed, road users on the Newell Highway will experience improved safety and more efficient travel times along this section of the Newell Highway.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by arranging the work in stages at different locations and turning off machinery and vehicles when not in use.

There is likely to be some dust from the clearing, vegetation removal and earthworks. We will use measures to minimise or prevent air pollution and dust, including covering exposed areas.

Traffic changes

Changed traffic conditions include reduced speed limits of 40km/h and 60km/h during work hours and 80km/h after hours, which may affect travel times. All motorists are advised to drive to the conditions and follow the directions of signs and traffic control.

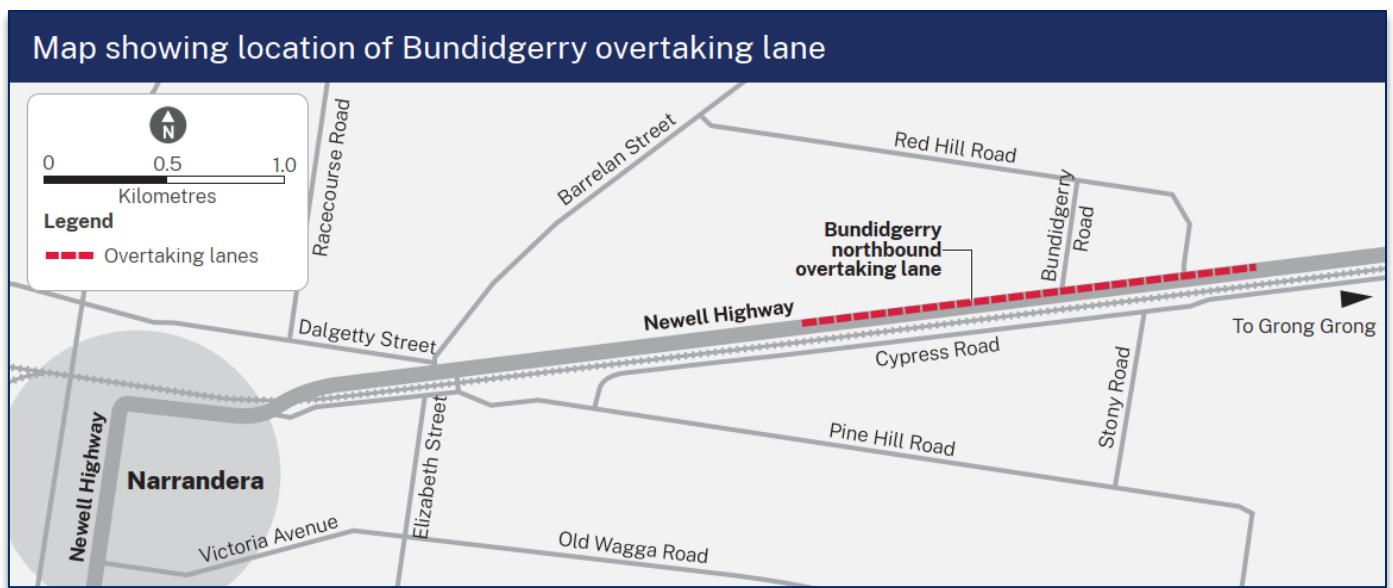

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Contact

If you have any questions on this or other overtaking lane projects along the Newell Highway, please email info@newellhpa.com.au or call 1800 577 295.

Thank you for your patience during this important work.
