## Central to Homebush track maintenance

From Monday 27 March to Friday 31 March 2023

### What we're doing

Sydney Trains will complete maintenance works between Central and Homebush from Monday 27 March to Friday 31 March.

Sydney Trains construction and maintenance works include:

- Civil track maintenance
- Rail grinding activities
- Routine signal and electrical maintenance
- Station upgrade works, to improve safety on stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track resurfacing
- Vegetation maintenance, litter, and graffiti removal.

### How this affects you

#### Noise

- These works may create additional noise on weeknights.
- **Work will take place nightly between 10pm to 4am from Monday 27 March to Friday 31 March.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Final (finishing) works including the removal of equipment may take place beyond the dates stated above.

#### Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

**We apologise for any inconvenience and thank you for your cooperation during these essential works.**
