

Sydney Trains

Central to Hornsby track maintenance

From Monday 20 March to Friday 24 March 2023

What we're doing

To improve service reliability, Sydney Trains will complete maintenance works between Central and Hornsby from Monday 20 March to Friday 24 March.

Between Artarmon and Chatswood, Sydney Metro will be completing civil works and fencing installation, material removal and project closeout work.

Sydney Trains construction and maintenance works include:

- Civil track maintenance
- Routine signal and electrical maintenance
- Station upgrade works at Killara
- Sydney Harbour Bridge maintenance works
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track resurfacing and rail grinding activities
- Vegetation maintenance, litter, and graffiti removal.

How this affects you

Noise

- These works may create additional noise on weeknights.
- **Work will take place nightly between 10.30pm to 4am from Monday 20 March to Friday 24 March.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Final (finishing) works including the removal of equipment may take place beyond the dates stated above.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
