

Changed traffic conditions on the Castlereagh Highway and Guntawang Road from Monday 20 March

Essential maintenance work is taking place at various locations on the Castlereagh Highway and Guntawang Road

The work includes asphaltting to provide an improved surface at various locations:

- Castlereagh Highway – 5.2km to 7.8km North Ilford
- Castlereagh Highway - 4.8km to 8km South of Mudgee
- Guntawang Road - 2.5km North of Castlereagh Highway Junction, Gooree Park

We have included a map to show the location of the work.

We will be working from **Monday to Friday** between **7am** and **6pm** and expect to complete the work in **two weeks**, weather permitting. We will let you know in advance if we need to do any work outside these times.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures and a 40km/h speed limit will be in place during work hours and may affect travel times. Motorists should allow up to five minutes extra travel time during this work. Outside of work hours speed limits will return to sign posted speed limits.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our project team on 1800 167 499 or western.projects@transport.nsw.gov.au.
