

Rounds 1 - 8: Successful Community Road Safety Grants Program

Round 8, 2022-23

Grantee	Project Description
CareSouth	A Driver Mentoring Program that gives access to company pool cars, a free professional driving lesson, and ongoing lessons with trained volunteer mentors so vulnerable young people can get their licence.
Clontarf Foundation	Supports senior Aboriginal male students in NSW to become safer, more confident drivers and obtain their driver licence through driver safety sessions and professional driving lessons.
Community Activities Lake Macquarie Inc. (CALM)	Helps provide professionally fitted car seats and seatbelts, and child safety information to clients receiving our family support services.
Connective Indigenous Corporation	Creates awareness and knowledge about road safety through short digital clips and stories that can be shared across social media platforms through a lens that Aboriginal communities understand.
Cycle Safe Bathurst	Partners with local media organisations and council to develop and roll out a campaign to make drivers aware of the dangers of roundabouts to vulnerable road users.
Down The Track Youth Enterprises Limited	'Driving Youth on Track' will deliver a driver education and training program targeting disengaged youth to navigate road surfaces, city situations, towing and reversing, to produce competent, safe drivers.
Enough is Enough Anti-Violence Movement Inc.	Workshops for inexperienced drivers (18-25) who engage in risky driving behaviours. It explores the consequences and impacts of risk-taking behaviours on themselves and the community.
Ethnic Communities' Council of NSW	A series of road and vehicle safety workshops in-language for seniors aged over 55 from multicultural backgrounds. It will help increase road safety awareness and support safer road use.
Gulgong Liquor Accord	Provides service to the local community by picking up and dropping off people as a safe alternative to drink driving.
Healthy Cities Illawarra	A social campaign to make cycling safer, by putting a human face to people who ride bikes.
Hunter Academy of Sport	A road safety education program aimed at young athletes aged 15-18 and their families. It is based on leadership, education and decision making.
Illawarra Multicultural Services Inc.	Safer Driving supports recently arrived refugees and migrants in the Illawarra region to improve and increase their knowledge of the NSW road rules and regulations.
Kenyan Community Newcastle Association - Wananchi Newcastle	In it Together aims to re-educate the Swahili speaking community within Wallsend on safety in line with Towards Zero key priority areas.
Little Blue Dinosaur Foundation	Partners with local government areas to raise community awareness of child road safety using signage, media and education campaigns.
Metro Assist	Aims to instil a culture of safe driving within new arrivals by better understanding road rules, increasing road safety awareness and practising safe driving.
Milparinka Heritage and Tourism Association Inc.	Creates and distributes driver safety videos targeting the many caravanners travelling through Australia, especially within the Corner Country of outback NSW.
Mobility and Accessibility for Children in Australia (MACA Inc.)	Promotes, gives access to, and facilitates an online training course for 100 NSW health professionals to improve road safety outcomes for children with disabilities as passengers in motor vehicles.
PCYC	Delivers driver education through an online program for P platers at no cost and offers half-priced places for low-income earners across NSW.
Rotary Club of Midday Grafton Inc.	Delivers a series of displays and presentations on the laws of the Minimum Passing Distance Rule at the monthly local car meet in Grafton.
Survive The Ride Association of NSW Inc.	Provides free face-to-face workshops for motorcycle riders in rural NSW on ways to improve risk management decisions when riding.
Westpac Rescue Helicopter	Enables participation in driver training and towing courses for volunteers who frequently drive and tow trailers in performing their duties.
Wyong District Museum and Historical Society	To buy helmets which will be provided with each refurbished bicycle donated to charitable organisations for distribution.

Youthsafe	To develop and pilot a prototype for short, online training sessions for supervising drivers, pre-learners and learners to minimise crash risks over the GLS journey.
-----------	---

Round 7, 2021-22

Grantee	Project Description
Australian Red Cross	Safer cars mean safer kids. The Australian Red Cross will be providing a series of road safety and vehicle safety workshops as part of the Red Cross Learner Driver Mentor Program for participants from refugee and migrant backgrounds.
Bathurst Information and Neighbourhood Centre Inc	Mob Motoring is a program that supports disadvantaged and vulnerable First Nation young people. The project will support participants in overcoming financial and learning barriers and work towards achieving Learners and Provisional Licences.
Bike North	The Afghani Youth Community Bicycle Skills and Safety program, implemented by Bike North provides practical bicycle skills and safety sessions with Afghani youth who have recently arrived in Australia.
Clontarf Foundation	The Clontarf Foundation helps teenage Aboriginal men across NSW grow into safe and confident drivers. This program will assist young men who are completing Year 12 and transitioning into employment or further training/study, including assistance, and mentoring towards the successful attainment of a driver's licence.
Community Activities Lake Macquarie Inc.	Kiddy Car seat Safety 10 will deliver a parenting program focused on child safety. It will inform parents about the importance of child restraints, help them choosing the right car seat, and how to have the car seat correctly fitted.
Healthy Cities Illawarra	I Ride Wollongong, a grass roots Change Cycling Project will support attitudinal and behavioural change for people who ride bicycles in the local area.
Illawarra Multicultural Services Inc	The Drive Works program will support recently arrived refugees and migrants in the Illawarra region to improve and increase their knowledge of the NSW road rules and regulations.
Metro Assist Limited	The New Driver Road Safety Education for Culturally and Linguistically Diverse (CALD) communities will create awareness and knowledge about road safety for newly arrived migrants in Inner West, Canterbury, and Bankstown Local Government Areas.
Motorcycle Council of NSW	Motorcycle Council of NSW will develop, produce, and distribute videos focusing on motorcycle road safety including safer motorcycle riding on unsealed roads.
Port Stephens Family and Neighbourhood Services	Port Stephens Family and Neighbourhood Services staff and community organisations will complete the Australian Safety and Engineering Training accredited course in the 'Selection and Installation of Child Restraints'.
Ride Dungog	The 'Stay Wider of the Rider', bicycle safety campaign, will design and deliver a bicycle safety media campaign across the Dungog Shire.
Singleton PCYC	The DRIVE Program is a driving mentor program connecting young people who have difficulty obtaining their required learner driver hours with trained community volunteers who supervise learner drivers.
StreetWork Australia Limited	StreetDrive: Learn to Drive Program for disadvantaged young people is a new program for at-risk youth to reduce barriers to obtaining a driver's licence.
Surfing NSW	#NoTxtNoWrecks campaign will feature a series of messages around texting while driving, targeting 16 – 35year old surfers. The promotion aims to create awareness and influence safer driver behaviour.
Survive The Ride Association of NSW	Survive The Ride Association will be running rider safety workshops, providing important road safety information for motorcycle riders in rural NSW.
The Flagstaff Group Limited	Safety Wheels is a road safety project-specific for people with disabilities who wish to be independent in driving, riding their bike and not relying on other people for transport.
We Care Connect	We Care Connect will be running the Safe Seats program, providing over 150 pre-loved car seats to vulnerable families. Under the program pre-loved car seats will undergo a rigorous safety check, part replacement (if required) and cleaning before being repurposed to a new family.
Wyong Men's Shed Incorporated	Wyong's Men's Shed will be running a program that will purchase and distribute bicycle helmets within the local area. The helmets will provide a safer experience for the rider and enable the rider to comply with the law.
Youth 2 Adult Inc.	The Two Way Street program, will educate young drivers through targeted road safety workshops and supportive driver supervision to support local youth in gaining their driver licence. This will help young drivers better understand road safety and will foster important relationships between young drivers and older members of the local Cowper community.

Youth Express Association Incorporated	The program 'Drive Well, Drive Safe' provides driver education and skill development (accessible by both learner drivers and community support people) to increase drivers licensing uptake and instil safer and legal driving behaviours in the Port Stephens community.
Round 6, 2020-21	
Grantee	Project Description
Auburn Youth Centre	Why Get A Fine When Your Life's On The Line. We see a project that empowers young people to get their driver's license and to educate young people on road safety as an important way of making community change
Australian Foundation for Disability	Let's be wise so we can save lives. Providing accessible education for youth with disabilities on safe travels across multi-modal transport.
Bribbaree Showground Land Manager	Road safety for stock trucks. Create a new entrance off the main road for trucks which ensures safety for all road users.
Byron Youth Service inc	reVERSE - reVERSE will use the power of music and youth culture to raise awareness of road safety, in particularly speeding among young people in the Northern Rivers of NSW.
Clontarf Foundation	Helping teenage Aboriginal men in NSW to grow into safe and confident drivers. Educating Aboriginal and Torres Strait Islanders on life skills and road safety.
Creating Chances	Creating Chances and Driving Solutions Safe Driver Program. Project uses sports engagement to develop the key life skills required to be a safe driver and contribute to a safe community culture.
Cultural Diversity Network Inc (CDNI)	Road Safety for Rohingya People. This project looks to provide education to disadvantaged families around car seats to ensure their babies and children are travelling safely.
Dandelion Support Network Inc	Ensuring babies and children from disadvantaged families are travelling safely. This project looks to provide disadvantaged families with car seats to ensure their babies and children are travelling safely.
Georgina Josephine Foundation	Keeping Kids Safe around Vehicles- SCA Radio Awareness Program. Campaign that raises awareness of the Low-Speed Vehicle Run Over (LSVRO) and prevention measures through ongoing radio advertisements.
Gymea Community Aid & Information Service	Learner Driver Mentor Program (LDMP). Help disadvantaged young people especially those from Aboriginal & Torres Strait Islander background to pass through the Graduated Licensing System
Illawarra Multicultural Services Inc	Drive works. Program supporting recently arrived refugees and migrants to obtain their driving license by supporting learners to overcome the cultural barriers they face.
Kidsafe New South Wales Incorporated	A Community Guide to Kidsafe Roads: Virtual Sessions for Vulnerable Road Users
Kurri Kurri Community Services	Cessnock Youth Driver Program. Provide local young people with an opportunity to gain valuable supervised log-book hours from trained, vetted volunteers and provide them with a solid foundation of road safety strategies to build their capacity for decision making and ensure they are safer drivers.
Milparinka Heritage and Tourism Association Inc	Corner Country Outback New South Wales " BE SAFE ON OUR ROADS" Guide. Produce a road safety guide that provides region-specific information on how to travel safely within the remote community.
Metro Assist Limited	New Driver Road Safety Education for Migrant Youth and Women. Educating newly arrived migrants and refugees on road safety.
Mudyala Aboriginal Corporation	Lower Clarence Play N Yarn Family Support. Mudyala Aboriginal Corporation through the current Play N Yarn family support aim to hold two sessions, one in Maclean and one in Yamba, of Car Seat Safety Checks for families and provide information around the ages and sizes of children in car seats as by law.
Multicultural Council of Wagga Wagga	Steering to Safety - Road Safety Program for Diverse Communities. Increase road safety awareness and understanding within local community groups from non-English speaking backgrounds by facilitating a range of engaging workshops.
Rotary Club of Pambula Incorporated	L2P safety focus for vulnerable rural youth. Road safety education/driver course for 12 disadvantaged young people.
Skillz4me Inc	Pedestrian Road Safety for people with a Disability. Road safety education day targeted towards at risk youths who have moderate to severe disabilities.
The Flagstaff Group	Smart and Safe. This project aims to create smart and safe resources specific for people with a disability including easy English fact sheets, short videos, podcasts, and social media campaigns.
The Smith Family	Girls at the Centre Road Safety. Program to support disadvantaged young females to obtain Provisional P1 driver licence.
Wananchi Newcastle Inc	New land, New Road Rules. Educate members of the CALD communities especially the youth and members who have recently settled in Newcastle LGA on road rules.
We Care Connect	Buckle Up Baby. Program to support disadvantaged families with providing/fitting child restraints
Youthsafe	Online training for volunteer driving mentors. Develop & pilot an online training program for volunteer driver mentors of learner driver mentor programs (LDMP) based on the key learning objectives of Youthsafe's face-to-face training workshop.

Round 5, 2019-20

Grantee	Project Description
Advance Diversity Services	The Program helps recently arrived refugees and migrants to obtain their NSW driving licence by supporting learners to overcome the barriers they face learning to drive in Australia.
Alison Homestead Museum Shed	Educating the community on helmet safety when bicycles are donated to charitable organisations for distribution.
Anglicare North Coast	Providing accessible education to refugee and migrant women on road safety/becoming safer drivers on NSW roads.
Blue Datto Foundation	Providing local awareness activities to over 750 young people from disadvantaged backgrounds on road safety.
CareSouth	Road Safety program targeting young people in child protection/homeless. Mentors will be provided from HMAS Albatross 723 Squadron.
Clontarf Foundation	Educating Aboriginal and Torres Strait Islanders on life skills and road safety.
Community Life Batemans Bay Inc (CLBB)	A series of road safety education workshops targeting high risk and disadvantaged members of the community, including Indigenous people and CALD.
Community Northern Beaches	Road Safety program aiming to assist migrants to settle into Australian life.
Creating Chances	Project uses sports engagement to develop the key life skills required to be a safe driver and contribute to a safe community culture.
Georgina Josephine Foundation	Campaign that raises awareness of the Low-Speed Vehicle Run Over (LSVRO) and prevention measures through ongoing radio advertisements.
Georgina Josephine Foundation	Creating information resources on Low-Speed Vehicle Run Over prevention.
Gulgong Liquor Accord	A service to the community that helps to combat drink driving. A Sunday afternoon service will be added to existing timetable.
Hunter Academy of Sport	Providing young sports people and their families with road safety guidance and advice. The project is based on leadership and education targeting 600 young people every year. Continuation of program.
Illawarra Multicultural Services Inc	Program supporting recently arrived refugees and migrants to obtain their driving license by supporting learners to overcome the cultural barriers they face.
Jarake Wildlife Sanctuary Ltd	Establishing virtual solar powered fencing/roadside marker posts to warn wildlife when vehicles are approaching to prevent collisions.
Jubilee Community Services Inc	Workshops on pedestrian safety, driver safety and basic emergency first aid training for seniors.
Little Blue Dinosaur Foundation	Targeting road safety for child pedestrians using colourful signage. Continuation of campaign.
Lower Lachlan Community Services Inc.	Educating young drivers on road safety to prevent unlicensed "joy riding" within the remote community.
Metro Assist Limited	Educating newly arrived migrants and refugees on road safety.
Mullumbimby High School P&C Association	A series of 4 x 2-hour forums designed to inform, support, and empower parents on how to educate teenagers to become safer drivers.
National Seniors Australia Ltd	A series of six driver safety workshops for older drivers. Sessions will provide road safety awareness training, updated information on current road rules and facilitate group discussions to help address key concerns.
Novocycle	Workshop for older riders and those coming back to motorcycle riding to educate on current road safety messages and practices.
REDinc. (Realising Every Dream Incorporated)	Road safety education/driver course for 12 disadvantaged young people.
Rotary Club of Woolgoolga Inc.	Road safety education day targeted towards at risk youths.
SARAH Group/ Michelle Sligar	Continuation of campaign, including a road safety workshop to facilitate conversations between parents, siblings, and peers on driving tired.
Surfing NSW	Program and campaign targeting a change in attitude of young drivers who believe texting while driving is acceptable or safe.

Survive The Ride Association of NSW Inc	Promoting key road safety messages with an aim of reducing number of motorcycle riders involved in serious injury crashes.
Taree Indigenous Development and Employment (TIDE)	Providing a driver licence program to the disadvantaged, including facilitating supervised driving hours.
Youth Off The Streets Limited	Program to support disadvantaged young people to obtain Learner/Provisional P1 driver licence.
Yuru Aboriginal Corporation	A cultural youth prevention program which will take indigenous youth out to country to raise awareness about making safer choices around road safety, driving, drugs and alcohol.
Round 4, 2018-19	
Grantee	Project Description
Alison Homestead Men's Shed	Provide bicycle helmets with each recycled bicycle donated, targeting low-income recipients in Wyong
Australasian College of Road Safety, NSW Chapter	Road safety seminar series
Barkindji Maraura Elders Environment team	Local students to produce films targeting road safety issues in the Wentworth Local Government Area of south-western NSW
Blue Datto Foundation Ltd	'Keeping Safe' community program targeting high risk vulnerable youth road users – Central Coast
Blue Datto Foundation Ltd	'Keeping Safe' community program targeting high risk vulnerable youth road users – Hawkesbury
Blue Datto Foundation Ltd	'Keeping Safe' community program targeting high risk vulnerable youth road users – Hills District
Blue Datto Foundation Ltd	'Keeping Safe' community program targeting high risk vulnerable youth road users – Penrith
Blue Datto Foundation Ltd	'Keeping Safe' community program targeting high risk vulnerable youth road users – Western Sydney
Blue Datto Foundation Ltd	Community road user program – targeting parents of learner drivers – Western Sydney
Clontarf Foundation	Safe driving awareness and learner driver sessions targeting young Aboriginal men across NSW, to help them attend school, complete Year 12 and successfully transition into employment or further study
Dulwich Hill Bicycle Club	Raise awareness in the Dulwich Hill, St George, and Sutherland Shire communities about the Minimum Passing Distance rule
Fighting Chance Australia	Produce translated material to support and train staff and community members to raise road safety awareness in culturally and linguistically diverse communities and people with disabilities in Parramatta area
Georgina Josephine Foundation	Visual promotions on State Transit buses to help reduce low speed vehicle run-over crashes
Georgina Josephine Foundation	Keeping Kids Safe Around Cars – radio awareness campaign
Gulgong Liquor Accord	Support additional night for existing Night Riders service to help Gulgong community with lack of public transport and to help prevent drink driving
GyMEA Community Aid and Information Service	Learner driver courses for newly arrived refugees/migrants
Hunter Academy of Sport	Youth sports leadership program in the Hunter region to be expanded to include road safety content
Jubilee Community Services Inc	Community safe driving, crash response and first aid training for seniors and youth in Mortdale
Little Blue Dinosaur Foundation	Expansion of the Holiday time & playground campaign – 'Slow down' and 'Hold my hand'
Macarthur Diversity Services Initiative	'You Turn' driver licensing and mentoring program targeting culturally and linguistically diverse communities in the Campbelltown area, including migrants/refugees
Metro Assist Ltd	Driving lessons targeting newly arrived migrants/refugees in Campsie

Multicultural Council of Wagga Wagga	'On the Right Track' road safety program targeting culturally diverse refugee community groups in Wagga Wagga
Newell Highway Promotions Committee	Publication of road safety information in the Newell touring guide to educate and promote road safety to Newell Highway users
Northmead Public School P & C Association	Multi-language flyers regarding safe road practices in the streets surrounding one of the Northmead community's main intersections
Participate Australia Limited	Road safety training for young people with intellectual disabilities in Croydon
Rotary Daybreak / Michelle Sligar	Strategies & resources to promote behavioural change for male drivers and passengers who participate in recreational shooting in regional NSW (including Orange and Dubbo areas), with a focus on facilitating community engagement on driver fatigue
Surfing NSW	'No text while you drive' campaign targeting 16 - 35 years surfers via surfing events, social media, board riding clubs
Survive the Ride Association	Educating motorcycle riders on making better decisions to improve knowledge on distance, posture and managing risks
Taree Indigenous Development and Employment (TIDE Ltd)	Disadvantaged Driver Licensing Support Program, targeting Aboriginal people
Trangie Central School P & C Committee	Disadvantaged Trangie residents driving lessons, targeting aged 16-18-year-olds
Ulysses Club Inc - Orange Branch	"Spot Joe" the motorcycle rider competition - to promote looking out for motorcycle riders and eliminating the "sorry mate I didn't see you" factor
Vishva Hindu Parishad of Australia Inc	Road safety and road rules awareness program targeting young people and families, including recently arrived migrants in Western Sydney
Wanachi Newcastle Inc	Driver safety program targeting youth and new arrivals in Newcastle (Kenyan / African communities)
Youthsafe	Capacity building program targeting mentors of Aboriginal learner drivers working in Learner Driver Mentor Programs

Round 3, 2017-18

Grantee	Project Description
Kootingal and District Preschool Inc	Road safety track
Foster Care Angels Inc	Safer driving courses for young people in care
Rotary Club of Woolgoolga Inc	Youth driver awareness day
Participate Australia Ltd	Road safety program for people with intellectual disability
Australasian College of Road Safety - NSW Chapter	Road safety seminar series
Survive The Ride Association of NSW	Under the Radar rider safety workshops
Civic Disability Services	Civic road safety training
Anglicare North Coast	The Road to Freedom project (road safety workshop for newly arrived female refugees / humanitarian entrants)
Fighting Chance Australia	Increasing road safety awareness for young adults with a disability
SCARF Incorporated	Drive Safe Empower Project - driver education and mentoring for refugee youth
Passion of Welfare Incorporated Association	Develop and increase awareness of road safety in South Asian community
Macarthur Diversity Services Initiative Ltd	Drive for safety and success in Campbelltown

Youthsafe	Capacity building for Learner Driver Mentor Programs
Kidsafe NSW	Keeping our kids safe on the roads: focusing on CALD communities
Kidsafe NSW	Keeping our mob's kids safe on roads: Aboriginal communities' program
Great Community Transport Incorporated	Bikes on Buses
Sydney Riders	Sydney Riders - Motorcycle Safety Program:
The Reach Foundation	Fused in the Hunter: Workshops
Gulgong Liquor Accord Night Rider	Night Rider bus
CareSouth	Learner Driver Mentoring Program
Blue Datto Foundation Ltd	Central Coast Community Keeping Safe Program
Blue Datto Foundation Ltd	Hawkesbury Community Keeping Safe Program
Blue Datto Foundation Ltd	Hunter Community Keeping Safe Program
Blue Datto Foundation Ltd	Penrith Community Keeping Safe Program
Blue Datto Foundation Ltd	Tamworth Community Keeping Safe Program
Blue Datto Foundation Ltd	Western Sydney Peer Keeping Safe Program
La Perouse Local Aboriginal Land Council	La Perouse Aboriginal Mission Road Safety Project
NSW State Emergency Service	CareFlight MediSim Trauma Care Workshop delivery to SES
Sydney Riders	Sydney Riders - Motorcycle Safety Program:
Metro Assist Inc	New Drivers Safety Education
Australian Road Safety Foundation	Senior Driver Program
Australian Road Safety Foundation	Learner Driver Program for Disengaged Youth on the Tweed Coast Pilot Program
Little Blue Dinosaur Foundation Ltd (LBDF)	LBDF Road Safety Education Campaign (incl. Holiday Time Road Safety)
URBANO	Stop at the Dots:
Northside Community Forum Limited	Road Safety Training for Person Living with a Disability
Jubilee Community Services Inc	Seniors Driver and Pedestrian Education
Shellharbour Aboriginal Community Youth Association (SACYA)	SACYA Road Safety
Georgina Josephine Foundation	Radio Campaign - "Check the driveway..."
STEER Project	Voluntary Breath Testing - VBT

Round 2, 2016-17

Grantee	Project Description
Pedestrian Council of Australia Ltd	'Mobile Phone Campaign - YouTube and CSA video ad' - develop a 30 second video to educate pedestrians on mobile phone distraction
Motorcycle Council of NSW Inc	'Motorcycle Helmets - the Facts' - three short films on suitability of motorcycle helmets
Cycling NSW	Ride Leader (cycling) curriculum and training
Bicycle NSW	'Give a Metre' - transportable kit and activity for members of the public
Little Blue Dinosaur	'Holiday Time' - Slow down campaign involving community (non-road) signage
Family Resource and Network Support Inc	Road safety instruction for people with an intellectual disability
Dulwich Hill Public School Parents and Citizens Association	'Keeping Dulwich Hill community and kids safe in Hercules Street' - printed vinyl banners to attach to school fence in regard to parking restrictions
Metro Assist Inc	'New Drivers Safety Education' - focus on refugees and migrants
Jubilee Community Services Incorporated	'Safer Georges River Pedestrians' - workshops for over 65s targeting Cantonese and Mandarin speakers
Giant Steps Sydney	'Cycling for Life': Multipurpose Road Safety Education Cycle Track for Children with Autism in their education facility
Holdsworth Community Ltd	'Stop, Look, Listen and Think' - development of an extra module of the 'Travel Training' pedestrian safety training
Passion of Welfare Incorporated Association	'Increase Awareness of Road Safety in Indian/Pakistani Community' - delivering four workshops on road safety
Blue Datto Foundation	Helping Learner Drivers Become Safer Drivers Parent Program'
Blue Datto Foundation	'Keeping Safe Community Program' - behavioural road safety educational workshops
Illawarra Road Safety Group	Illawarra Seniors Road Safety Expo
SCARF Incorporated	Destination Safe Driving (DSD) - driver education and mentoring for resettled refugees
Multicultural Communities Council of Illawarra	'Cycle safe educational session' - targeting refugee and migrant youth
Alison Homestead Men's Shed	'Purchase of bicycle helmets' - for children from disadvantaged families
Manilla Lions Club	Assisting with development of a children's road safety park
Port Stephens Family and Neighbourhood Services	'Safe Families, Safe Kids' - selection and installation of child restraints
Blackheath Area Neighbourhood Centre	Seniors' Road Safety Film-Making Project

Anglicare	'Australia School - Road-Safe in Oz: Walk, Ride and Drive' – educational sessions targeted at newly arrived humanitarian entrants to Australia
Rotary Club of Woolgoolga Inc	'Youth Driver Awareness Day' – youth driver awareness day using the RYDA program
Australian Road Safety Foundation	'Senior Driver Program' – driver coaching and mentoring program
Round 1, 2015-16	
Grantee	Project Description
ROADwhyz	Choices and consequences program - presentations on driver licensing and passenger safety to 17–25-year-olds, parents, and community. Education on speeding, in-car distraction, and mobile phone usage.
Brook Richardson Don't-txt-n-drive Foundation	Don't text and drive advertising and editorial - promoting don't text and drive on billboards around the Sydney CBD and talking to Sydney radio to promote the message.
Australian Road Safety Foundation	Older driver safety seminars - deliver presentations in northern NSW to provide older road users with up-to-date information on road rules and vehicle operation that will enhance their safety, overall road safety awareness and quality of life.
Mendooran Pre-School	Bicycle and road safety program - purchase of bikes, helmets, and development of bicycle signage to teach children bicycle safety awareness at a young age. Delivered on a bicycle track to give the children a hands-on learning approach.
Red Bend Catholic College, Forbes	Student driver training and safety awareness - 129 Aboriginal students attend the college and live in the Parkes / Forbes area. The grant will give 30 students the opportunity to sit the Safer Drivers Course.
Condobolin Preschool and Child Care Centre	Family fun day - targeting families and children aged 0-8 years, educating them on road safety, bike safety and personal safety around traffic.
Little Blue Dinosaur Foundation	Slow Down Kids Around / Hold My Hand signage - community safety reminder to parents, carers, and drivers that children, due to their limited cognitive abilities, need to be supervised closely on or near roadways. This means having their hands held, particularly when out of their familiar environments on holidays. Little Blue Dinosaur promotes appropriate safety messages about holding hands when kids are on and near roadways, as well as educating drivers to slow down and be watchful for children as they can be fast and unpredictable.
Deaf Society of NSW	Bicycle safety in Auslan - the project aims to increase the cycling safety of deaf people by creating a series of short videos on key aspects of cycling safety and disseminating these to the deaf community through extensive social media outlets.
Multicultural Communities Council of Illawarra	Road rules awareness for refugees and emerging communities - delivering 12 workshops to young people on road rules and a public speaker relating to road deaths.
MiiMi Aboriginal Corporation	Driving Class L Program - driving program targeted at Aboriginal people on their Ls which will be delivered in a culturally sensitive manner and will have elements of teaching e.g., oral, written, hands-on learning, flexible learning, learners to learn at their own pace with numeracy and literacy strategies.
Bathurst Community Op Shop	Driver licence scheme - assistance to disadvantaged youth with the provision of access to vehicles, supervising drivers, and courses such as the Safer Drivers Course.
Warialda Pre-school	Pick up and drop off - creating a safer environment for pre-school age children and carers by making some improvements to the pickup and drop off area near the school (e.g., scrub clearing).
Jindabyne Cycling Club	Education and signage - a workshop targeting young drivers, raising awareness of the laws relating to cyclist road use, increasing respect, and understanding between riders and drivers.
