

Earthworks at Little Hartley from 28 June 2023

Coxs River Road Upgrade
June 2023

Australian Government

Transport for NSW acknowledges people of the Wiradjuri Nation as the Traditional Custodians of the lands on which we work and pays respects to Elders past and present.

The Coxs River Road upgrade will reduce congestion and improve safety and accessibility for all local and highway road users, commuters and pedestrians.

Transport for NSW's lead contractor, Ertech, will be carrying out the works at Little Hartley for the Coxs River Road Upgrade.

What work are we doing?

The following activities will be undertaken during this period:

Coxs River Road & East of Coxs River Road

- Drilling and piling for bridge on Coxs River Road and retaining wall behind Lolly Bug.
- General earthworks.
- Erosion and sediment control installation.
- Vegetation removal will also be continuing as outlined in the May notification letter.

West of Coxs River Road

- Erosion and sediment control installation including construction of water quality basins.
- Vegetation removal will also be occurring in this area.

When and where we'll be working

We'll be working from **28 June up to 31 July 2023**, weather permitting.

Working hours are **7am to 6pm, Monday to Friday**.

What will this mean for you?

Most of this work will have minimal impact on residents. However, you will notice:

- Noise from machinery and equipment
- Plant movement in and out of the project site
- Traffic control and reduced speed limits in place. Please allow an additional five minutes for your travel time.

Managing our impacts

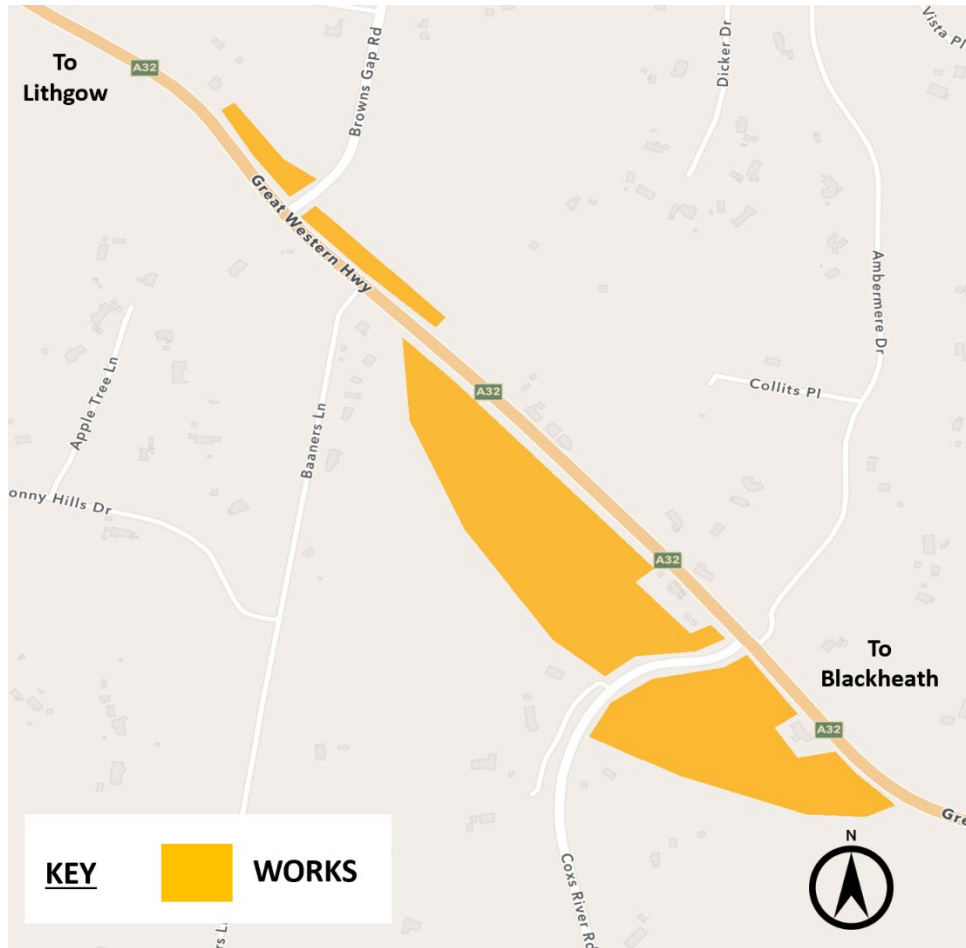

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- Fencing work areas for safety and security.
- Reducing our noise as much as possible by working in stages and turning off machinery when not in use.

Location of work area

Traffic changes

All road users are advised to follow the directions of signs and traffic control and slow down on approach. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

We understand that this work may generate some inconvenience and we thank you for your patience.
