Redfern Station Upgrade

New Southern Concourse

We recently advised that utility and road works at the corner of Little Eveleigh and Lawson streets will occur over two weekends in May and June. Since that notification, we are now able to bring one of the weekends forward. Weekend work will now occur between:

**6pm Friday 19 to 5am Monday 22 May and
6pm Friday 26 to 5am Monday 29 May.**

During this weekend work, a temporary road closure on Eveleigh Street between Caroline and Lawson streets and a temporary Lawson Street lane closure will be in place.

Please refer to the map overleaf for more information.
