

Dapto Station

August - September 2022

Truck and vehicle movements

As part of More Trains, More Services construction work being completed at Dapto Station, there will be some increased truck and vehicle movements on roads surrounding the station for transportation of excavated materials. This work will take place during standard construction hours (**7am and 6pm Monday to Friday and 8am to 1pm on Saturdays**), between:

- **Monday 22 August and Friday 26 August 2022**
- **Wednesday 31 August and Wednesday 7 September 2022**

Residents may notice an increase in construction vehicle movements during these periods. Traffic control will be in place to ensure the safety of commuters, motorists, pedestrians and workers. Truck loads will be covered, and dust suppression techniques will be in place to keep the area safe and tidy.

The project team understands that construction activities may cause disruption for the community and every effort will be made to minimise impacts where possible.
