Eddy Avenue Light Rail Underbridge works

From Friday 31 March to Thursday 13 April 2023

What we are doing

Sydney Trains will complete maintenance works on the light rail underbridge located on Eddy Avenue. These works will include installation of hoarding and scaffolding, maintenance works on the underbridge and blasting and paint work.

These works are scheduled during the maintenance period for the L1 Dulwich Hill Light Rail Line planned from **1am Saturday 1 April until 6am Thursday 13 April**. Please note that further work on the underbridge is planned for June 2023.

How this affects you

Noise

- These works may create additional noise at night time and across the week.
- **Work will take place around the clock from 1am Saturday 1 April until 6am Thursday 13 April.**
- Equipment may be delivered to the work site outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Generators, compressors and construction equipment will be used throughout the works.
- Final (finishing) works including the removal of equipment may take place beyond the dates stated above.

Sydney Trains

Traffic and Parking

- **Eddy Avenue will be closed from 10pm to 6am** between Friday 31 March and Thursday 13 April. Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.
- Motorists may experience some delays when using local roads near Central Station. Please visit livetraffic.com for updated changes to road conditions.
- Heavy vehicles will use local streets to access the light rail corridor.
- On-street parking may be limited near worksites.

Pedestrian Access

- The northern pedestrian footpath will be **closed from 10pm Friday 31 March to 6am Saturday 1 April** to allow for the installation of hoarding and **10pm Thursday 13 April to 6am Friday 14 April** to allow for the dismantling of hoarding.
- Traffic controllers and wayfinding signage will be in place to direct motorists and pedestrians.
