

Commuter Car Park Program Edmondson Park

Community Update

April 2023

Transport for NSW acknowledges the traditional custodians of the land and pays respect to Elders past and present.

Work is continuing on the new Edmondson Park North Commuter Car Park in the coming month.

What work are we doing?

The following activities are planned for April:

- concrete pours for car park level six and the rooftop level
- work to modify the access road to the new commuter car park
- internal fit out work including crash barriers and block walls

When and where we'll be working

We'll be working within the site compound off Soldiers Parade, Edmondson Park.

Standard work hours are **7am to 6pm, Monday to Friday and 8am to 1pm, Saturday.**

During April, approximately four major concrete pours are planned to occur for car park level six and rooftop level. Concrete pours will be undertaken during standard hours, however finishing work may need to extend past this time due to the size of the concrete slabs.

What will this mean for you?

You may notice:

- workers and vehicles
- traffic controllers and signage on Soldiers Parade
- noise from machinery and equipment, including excavators, rollers, road saws, graders, tipping trucks, concrete mixers, concrete pump trucks, service vehicles, various delivery vehicles, mobile cranes, tower cranes, forklifts, generators, and hand tools

Managing our impacts

Our site has been designed to minimise impact to the community and environment. This includes:

- reducing our noise as much as possible
- targeted lighting to minimise light spill
- traffic control to help manage construction traffic entering and leaving our site
- fencing for safety and security
