

Maintenance work continues on Gasworks Bridge at Macarthur Street, Parramatta

Community Update
December 2023

Transport for NSW acknowledges the Dharug people as the traditional custodians of this land on which we work and pay respect to Elders past and present.

Transport for NSW is continuing remediation work on Gasworks Bridge at Macarthur Street. Work will continue up until Friday 22 December 2023. We will then return to work on Tuesday 2 January 2024.

What work have we done so far?

Since our last update in October, we have:

- installed a fully enclosed scaffolding system to the entire length of the bridge
- installed temporary pedestrian hoarding underneath the northern side of the bridge
- installed temporary lighting for pedestrians on the bridge walkway
- removed the existing old (lead) paint and repainted the section of bridge directly over Parramatta River
- commenced paint removal on the northern side of the bridge
- removed the existing guardrail.

When will we be working?

From Tuesday 2 January 2024 we will continue to carry out most of the work during the day between **Monday and Friday, 7am to 6pm** and **Saturday, 8am to 1pm**.

We will, however, also need to carry out weekend work, between **Friday, 8pm** and **Monday, 5am** as outlined further below.

We will not work on the 26 January 2024 public holiday.

Gasworks Bridge closures

The northbound lane of Macarthur Street over Gasworks Bridge remains closed and will reopen to traffic once the project is complete.

Northbound traffic will need to detour via:

- George Street, Alfred Street, River Road West, James Ruse Drive, Thomas Street/Victoria Road and then back onto Macarthur Street, or
- Harris Street, Parkes Street/Hassall Street, James Ruse Drive, Thomas Street/Victoria Road and then back onto Macarthur Street.

In addition to the above, we will temporarily close Gasworks Bridge to all traffic (including pedestrians and cyclists) for up to **five weekends** between **late January and February 2024**.

Southbound traffic will need to detour via:

- Victoria Road, Wilde Avenue and back onto George Street.

Future 2024 weekend bridge shutdown dates, subject to change and weather permitting, will be between:

- **Friday 19 January** and **Monday 22 January**
- **Friday 2 February** and **Monday 5 February**
- **Friday 9 February** and **Monday 12 February**
- **Friday 16 February** and **Monday 19 February**
- **Friday 23 February** and **Monday 26 February**, between **Friday, 8pm** and **Monday, 5am**.

Please note that we may not need to close Gasworks Bridge for all the five weekends listed above.

Notification of all bridge closures will be displayed on variable message signage boards at least five days before any traffic changes come into effect.

We will also update the project webpage and email project updates as soon as bridge shutdown dates are confirmed.

If you have any questions or concerns about the project or the work schedule, please contact our delivery partner, Fulton Hogan using the details below.

How can I get more information?

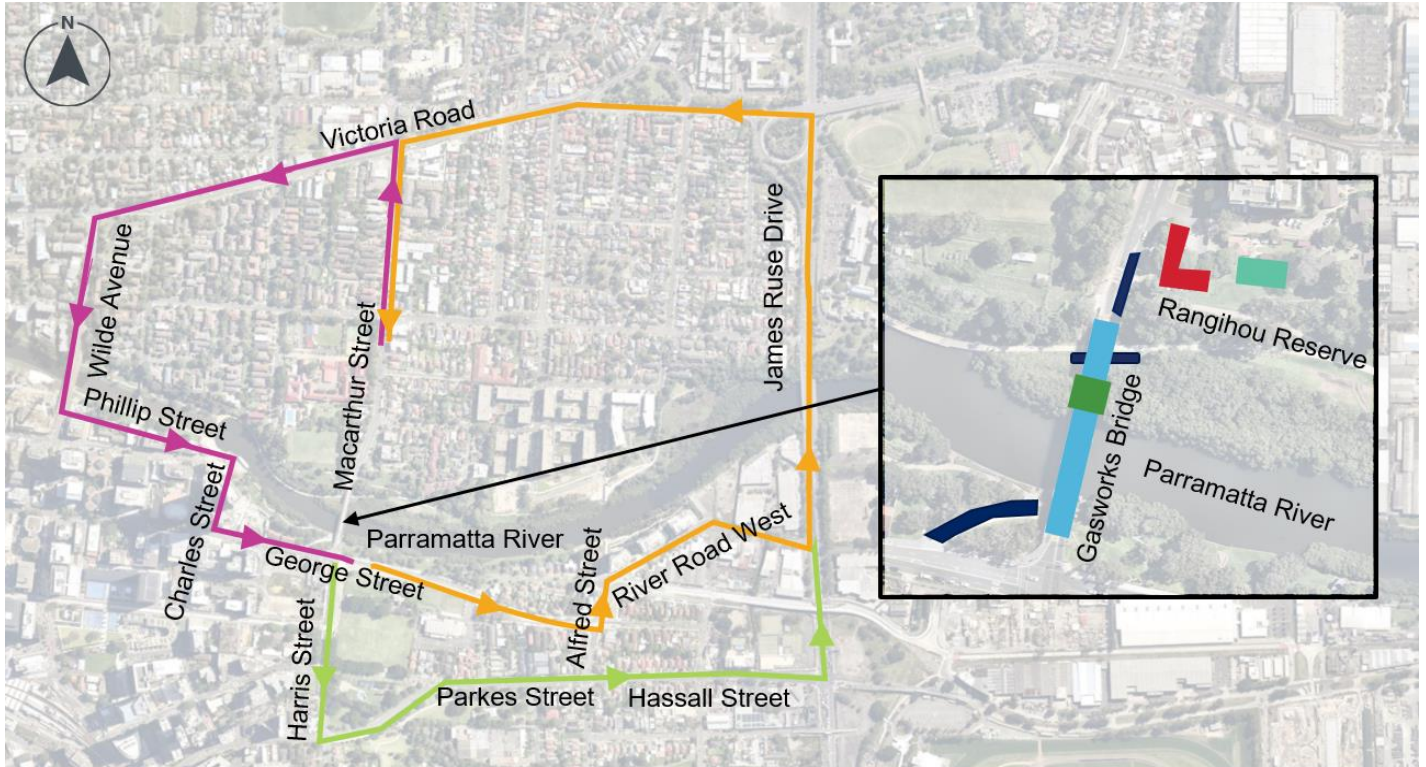

To access the most up to date project information, or to request project updates via email, please click the QR code to the right.

Transport for NSW thanks the community for their patience while we complete this important maintenance work.
