Community Update  
October 2023

Transport for NSW acknowledges the Dharug people as the traditional custodians of this land on which we work and pay respect to Elders past and present.

Transport for NSW began remediation work on Gasworks Bridge at Macarthur Street, Parramatta, on Monday 31 July 2023.

## Construction update

This project was expected to be completed in December 2023. However, due to additional remediation works now required, work will now be completed in early 2024. Further information on remaining works to be completed in 2024 will be provided in December 2023.

## What work have we done so far?

Further to works completed in August 2023 we have now:

- installed scaffolding on the northern side of the bridge as well as on top of the bridge
- removed existing paint and repainted steel structures on the southern side of the bridge
- completed concrete repair work on the southern side of the bridge
- started removal of the guardrail.

## Gasworks Bridge closures

The northbound lane of Macarthur Street over Gasworks Bridge remains closed and will reopen to traffic once the project is complete.

### Northbound traffic will need to detour via:

- George Street, Alfred Street, River Road West, James Ruse Drive, Thomas Street/Victoria Road and then back onto Macarthur Street, or
- Harris Street, Parkes Street/Hassall Street, James Ruse Drive, Thomas Street/Victoria Road and then back onto Macarthur Street.

In addition to the above, we will temporarily close Gasworks Bridge to all traffic (including pedestrians
