

Community information session and upcoming work on Maitland Road, Hexham

Hexham Straight Widening

December 2023

Transport for NSW acknowledges the Awabakal people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The Australian and NSW Governments are investing in the upgrade of the section of Maitland Road known as Hexham Straight, between Newcastle Inner City Bypass and Hexham Bridge

Transport for NSW will be working out of hours in December for the safety of motorists and workers and to ensure work is carried out as efficiently as possible.

What work are we doing?

Work includes:

- Installation of barriers and line-marking
- Removal and building new road pavements
- Installation of utility services and service investigations
- Traffic signal works

When and where we'll be working

We'll be working on the Maitland Road between the Newcastle Inner City Bypass and the Oak Precinct from **Friday 1 December** to **Friday 22 December**.

Normal working hours are between **7am** and **6pm** on **weekdays** and **8am** and **1pm** on **Saturdays**.

Out of hours work will happen at **night** between **7pm** and **5am** from **Sunday** to **Thursday**, weather permitting.

What will this mean for you?

You may notice:

- Workers and vehicles
- Lane closures and traffic control
- A temporary 40 km/h reduced speed limit
- Noise from machinery and equipment.

Please keep to speed limits and follow the direction of traffic controllers and signs.

Managing our impacts

The out of hours work will involve the use of machinery which generates noise.

We will make every effort to minimise noise by completing noisier activities earlier in the night and turning off machinery and vehicles when not in use. Noise blankets will also be used around stationary plant, where possible.

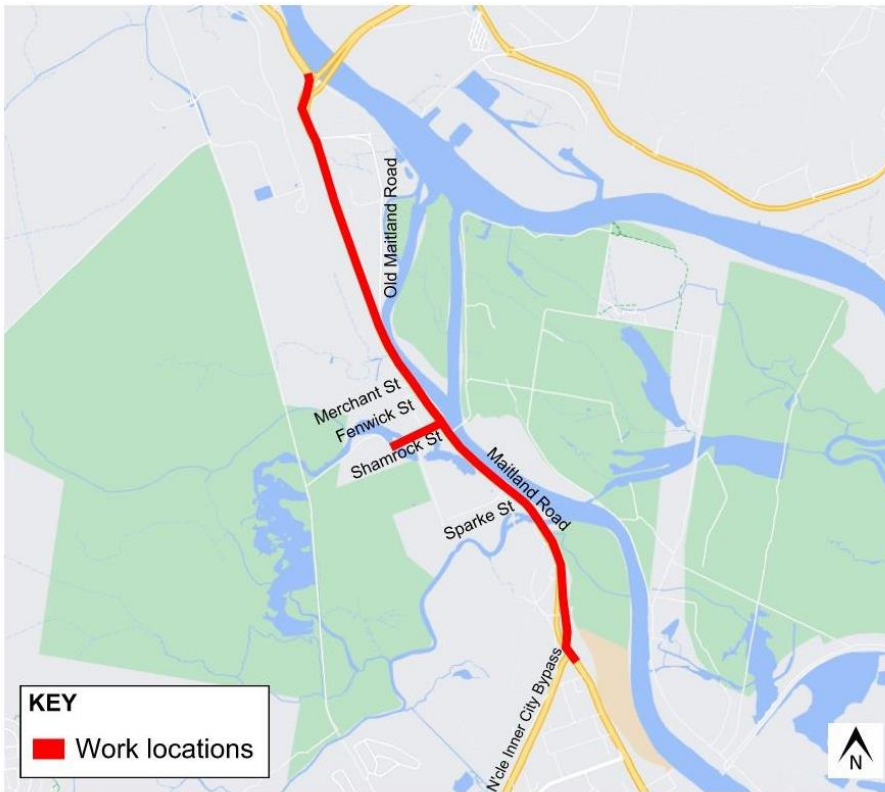

Upcoming information session

We would like to invite you to our information session about the Hexham Straight Widening project. We look forward to meeting you and answering any questions you may have.

When Tuesday 5 December 2023, 4pm to 6pm
Where Hunter Wetlands Centre
1 Wetlands Place
Shortland NSW 2307
RSVP Please RSVP via email at HSW.community@hswalliance.com.au by Wednesday 29 November 2023

Location of work area

Holiday Season Closedown

Standby crews and site security will be onsite over the period, and surveillance cameras will be operating.

The Hexham Straight widening team will finish major work at our site on **Friday 22 December 2023** and will resume work on **Monday 8 January 2024**.

We wish you and your families all the best over the holiday season.
