

Repair work continues along Jenolan Caves Road

December 2023

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is continuing to carry out essential maintenance work on Jenolan Caves Road to provide an improved road surface.

What work are we doing?

Transport for NSW will carry out the work, which includes heavy patching.

Work includes:

- Using heavy machinery along the road
- Pavement rehabilitation
- Restoring the site when our works are finished

When and where we'll be working

Working hours are **7am to 5pm, Monday to Friday** and **Saturdays 7am to 1pm**.

We'll be working at various locations between the Great Western Highway and Hampton from the **11 December to 22 December**.

There will be some temporary traffic changes to ensure the work zone is safe.

You may notice:

- Workers and vehicles
- Traffic controllers and signage
- Reduced speed limits to 40km/h
- Noise from machinery and equipment.

Single lane closures and a 40km/h speed limit will be in place during work hours, which may affect travel times.

Outside of work hours, the speed limit will return to 60km/h.

When works are completed, the speed limit will return to the posted speed.

Motorists should allow an extra five-minutes travel time during this work.

Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

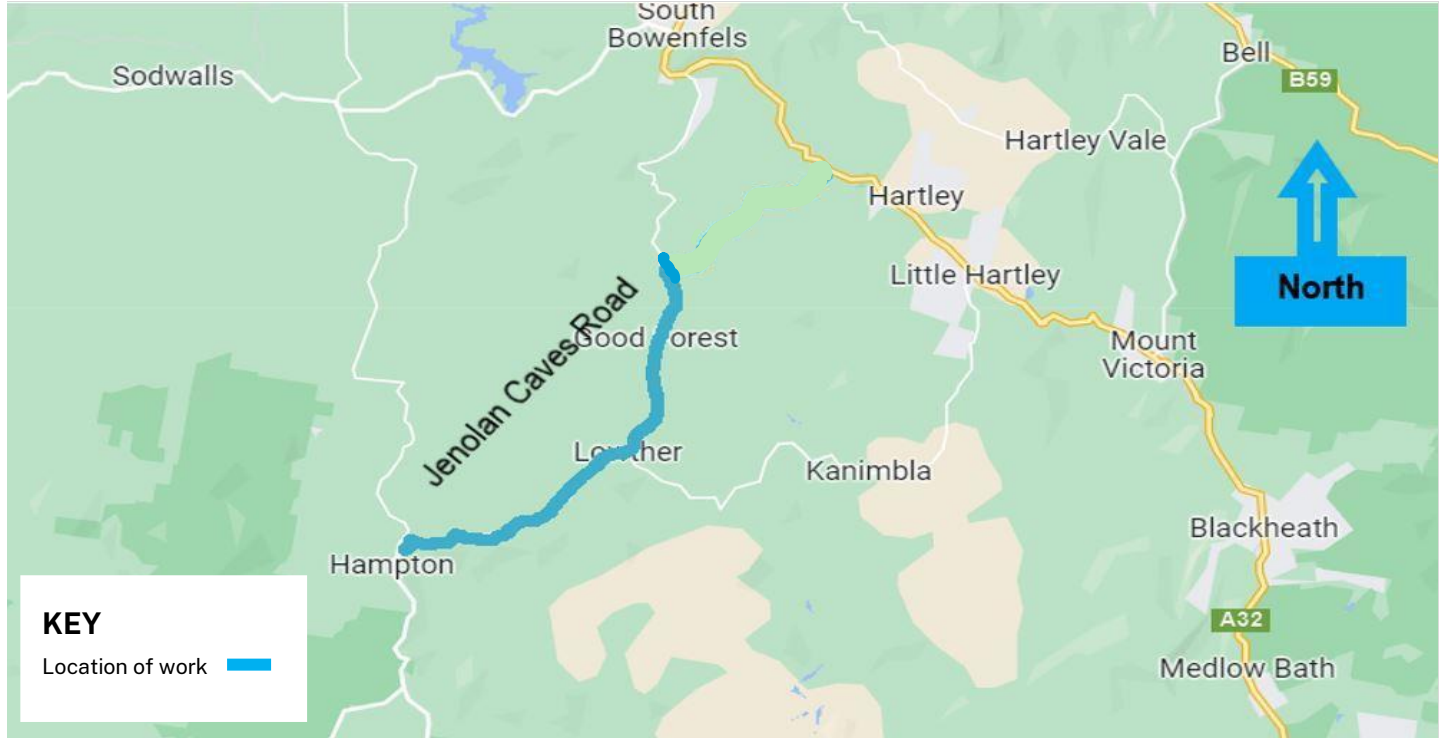

Thank you for your patience during this important work.

The work will involve the use of machinery which will generate some noise.

We will make every effort to minimise noise by arranging the work in stages at different locations and turning off machinery and vehicles when not in use.
