Kamay Ferry Wharves (SSI 10049)
Community Communication Strategy (Condition B3)

Dear Mr Dooley

I refer to the Community Communication Strategy, V3 dated 27 April 2023 submitted to the Department for approval as required under condition B3 of SSI 10049. I thank you for your responses to the Department's review comments and requests for information.

I note the Community Communication Strategy:

- provides a mechanism for communication about construction and operation of the Project with the community, relevant councils and government agencies
- includes a Complaints Management System to manage how the Project responds to, resolves and records complaints;
- has been reviewed by Transport for NSW and no issues have been raised; and
- has been prepared to address the requirements of the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Community Communication Strategy, V3 dated 27 April 2023.

You are reminded that if there are any inconsistencies between the Community Communication Strategy and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely
