Kamay Ferry Wharves (SSI 10049)
Site Establishment Management Plan (Condition A20)

Dear Mr Dooley

I refer to the Site Establishment Management Plan (SEMP), Revision H dated 02 June 2023 submitted to the Department for approval as required under condition A20 of SSI 10049. I thank you for your responses to the Department's review comments and requests for information.

I note the SEMP, Revision H:

- has been prepared in consultation with Randwick City Council, Sutherland Shire Council, NSW National Parks and Wildlife Service and Heritage NSW;
- includes layouts, environmental management practices and mitigation measures for two construction ancillary facilities - La Perouse and Kurnell compounds;
- has been endorsed by the Environmental Representative;
- has been reviewed by Transport for NSW and no issues have been raised; and
- has been prepared to address the requirements of the conditions of approval.

Accordingly, as nominee of the Planning Secretary, I approve the Site Establishment Management Plan, Revision H dated 02 June 2023.

You are reminded that works defined as construction cannot commence until the CEMP and CEMP sub-plans have been approved and if there are any inconsistencies between the SEMP and the conditions of approval, the conditions prevail.

Please ensure you make the document publicly available on the project website at the earliest convenience.

If you wish to discuss the matter further, please contact Sarah Kamarudin at sarah.kamarudin@dpie.nsw.gov.au.

Yours sincerely
