

# Lidcombe Infrastructure Upgrade

December 2022 - January 2023

## We'll see you in the new year!

Work on the More Trains, More Services Lidcombe Infrastructure Upgrade will be paused for the holiday period and will continue in February 2023. If you have any questions, please feel free to contact us through the formal avenues listed below.

Please note we will be phasing out paper notifications in 2023. Instead, we will be digitally distributing construction updates to project-specific email lists. To continue receiving project updates, please visit [yoursay.transport.nsw.gov.au/mtms-lidcombe](https://yoursay.transport.nsw.gov.au/mtms-lidcombe) or scan the QR code to complete the 2-minute survey to let us know how you would like to be communicated with.

We wish you a safe and happy holiday period – see you next year!
