

# M12 Motorway – Central

## Traffic changes on Clifton Avenue from Friday 21 April 2023

April 2023

Australian Government

Transport for NSW acknowledges the Dharug people of the Darug Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The Australian and NSW governments are building the M12 Motorway to provide direct access to the Western Sydney International Airport at Badgerys Creek and connect to Sydney's motorway network.

### What work are we doing?

Transport for NSW is building a new access road for some residents of Clifton Avenue in Kemps Creek.

All traffic travelling between 90 Clifton Avenue and the cul-de-sac at the northern end of Clifton Avenue will be redirected onto the new access road (Dungowan Place) via a temporary link road from **Friday 21 April**, unless otherwise notified.

This will allow our construction team to start work on Clifton Avenue overpass.

Some preparation work for the traffic change will take place on **Thursday 20 April**. During this work, we will:

- carry out pavement work and line marking
- install temporary traffic barriers.

A map of the pavement work and new access road has been provided over the page.

### Our work schedule

Preparation work for the traffic change will take place on **Thursday 20 April** between **8pm** and **6am** under traffic control, weather permitting.

The traffic change will take place the following morning from **7am** on **Friday 21 April**, weather permitting.

### What equipment will be used?

During the preparation work we may use light and heavy vehicles, hand power tools, water carts, sweepers, asphalt pavers, bobcats and rollers.

### How will this work affect you?

During our work you may see increased activities in the area. The work may be noisy at times, but we will do everything we can to minimise its impact, including completing noisier activities earlier in the night before midnight where possible and turning off equipment and machinery when not in use.

### Traffic changes

There will be temporary traffic changes and reduced speed limits in place to ensure the work zone and road is safe for motorists and workers.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call **132 701**, visit the [livetraffic.com](https://www.livetraffic.com) or download the **Live Traffic NSW** app.

If you have any questions, a complaint or would like more information on the M12 Motorway project, please contact our project team on **1800 517 155**, or via email at
