- Appendix B6 Construction Air Quality Management Sub-plan Revision 01 31<sup>st</sup> January 2023 (signed 18/04/23)
- Appendix B7 Construction Cultural Heritage Management Sub-plan Revision 01 22<sup>nd</sup> March 2023 (signed 27/03/23)
- Appendix B8 Construction Soil and Water Management Sub-plan Revision 01 3<sup>rd</sup> April 2023 (signed 21/04/23)
- Appendix B9 Construction Flood Management Sub-Plan Revision 01 17<sup>th</sup> April 2023 (signed 18/04/23)

I have reviewed the minor amendments made to the document by CPBGG JV. Changes include updates for design changes and consistency assessments, updates following the revision of the OCEMP and other administrative changes.

The CEMP Appendix B10 Site Establishment Management Plan has previously been reviewed, endorsed and approved by the Planning Secretary. Minor Amendments to the Appendix B10 Site Establishment Management Plan will be considered separately and are not included as part of this endorsement.

As an approved ER for the M12 Motorway project, I am satisfied the minor amendments are consistent with requirements of the approved Overarching CEMP, Overarching Sub-plans and Overarching Construction Monitoring Programs. Therefore, I approve the minor amendments to the subject Contractor Construction Environmental Management Plan and Sub-plans.

Yours sincerely

George Kollias
