

M12 Motorway – Central

Traffic changes on Clifton Avenue from Friday 15 December 2023

December 2023

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The Australian and NSW governments are building the M12 Motorway to provide direct access to the Western Sydney International Airport at Badgerys Creek and connect to Sydney's motorway network.

What work are we doing?

Transport for NSW will open a new access road for road users travelling via Clifton Avenue at Kemps Creek. The new bridge over M12 Motorway will open for traffic from **Friday 15 December**, unless otherwise notified.

Access into Dungowan Place will remain the same off Clifton Avenue.

We will work at night on **Wednesday 13 December** and **Thursday 14 December** to prepare for the traffic change.

During this work, we will:

- carry out pavement work
- line marking.

If these dates change due to weather or program changes, we will notify the community via email and roadside digital signs.

A map of the pavement work and new access road has been provided over the page.

Our work schedule

Preparation work for the traffic change will take place on **Wednesday 13 December** and **Thursday 14 December** between **8pm** and **6am** under traffic control, weather permitting.

The traffic change will take place the following morning from **7am** on **Friday 15 December**, weather permitting.

What equipment will be used?

During the preparation work we may use light and heavy vehicles, pavement profilers, line marking trucks, hand power tools, water carts, sweepers, asphalt pavers, bobcats and rollers.

How will this work affect you?

During our work you may see increased activities in the area. The work may be noisy at times, but we will do everything we can to minimise its impact, including completing noisier activities earlier in the night before midnight where possible and turning off equipment and machinery when not in use.

Traffic changes

There will be temporary traffic changes and reduced speed limits in place to ensure the work zone and road is safe for motorists and workers.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call **132 701**, visit the [livetraffic.com](https://www.livetraffic.com) or download the **Live Traffic NSW** app.

If you have any questions, a complaint or would like more information on the M12 Motorway project, please contact our project team on **1800 517 155**, or via email at M12Central@SeymourWhyte.com.au
