Dear Deanne,

**RE: ER Endorsement of M12 Motorway Devonshire Road Temporary Roundabout
– Construction Environmental Management Plan Revision D**

Thank you for providing the following documents for Environmental Representative (ER) review and endorsement, as required by the Overarching Construction Environmental Management Plan (Overarching CEMP) as approved under the M12 Motorway approval (SSI 9364):

- M12 Motorway Devonshire Road Temporary Roundabout – Construction Environmental Management Plan Revision D, September 2023

I have reviewed this Contractor Construction Environmental Management Plan (Contractor CEMP) which was prepared by TfNSW and Ventia. Previous versions of the document have been reviewed and updated following comments from the ER.

I consider this Contractor CEMP to satisfy the requirement for a Streamlined CEMP, with no monitoring programs or sub-plans so as to be commensurate with the nature and extent of the construction activities, consistent with the Staging Report and Overarching CEMP.

As an approved ER for the M12 Motorway project, I endorsed this Contractor CEMP.

Yours sincerely

George Kollias
Environmental Representative – M12 Motorway
