

Wolli Creek Power Supply Upgrade

More Trains, More Services

August and September 2023

Transport for NSW acknowledges the Gweagal, Bidjigal and Gadigal Clans as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is building a new substation within the rail corridor to create the necessary power supply to support the increase in the number of trains travelling along the T8 Airport Line in the future.

What work are we doing?

In August and September, we will continue to work at the new substation and construct the fence. We will also install new cables inside the rail corridor and undertake concreting work on Spark Lane.

When and where we'll be working

Standard construction hours are between **7am and 6pm Monday to Friday** and **8am and 1pm on Saturdays**.

We'll be working inside the rail corridor and in the site compounds at 5A and 25 Lusty Street as shown overleaf.

Out of hours work

For safety reasons, some work will take place outside of standard construction hours from **10pm Friday 15 September to 6am Monday 18 September 2023** when no trains will be running.

What will this mean for you?

You may notice:

- workers and heavy vehicles
- traffic controllers on Spark Lane
- lighting from temporary lighting towers
- noise from machinery and equipment.

Managing our impacts

We understand our work may cause disruption for the community. We'll seek to minimise impacts as much as possible and follow strict environmental conditions relating to noise, vibration and dust management.

Coming soon Paperless notifications

In case you haven't heard, soon we'll no longer be distributing paper notifications (unless requested) to reduce our environmental impacts.

Instead, we will contact you via email when there is work that may impact you.

If you haven't already registered for email updates, please scan the QR code and fill out the form.

To continue receiving paper notifications, you can request this via the QR code or call us at 1800 684 490.

Thank you to residents who have registered.

Location of work

There's a lot happening

There are multiple contractors currently working within the Wolli Creek rail corridor. For more information on work being completed by Sydney Trains, please phone 1300 656 999 or visit www.transport.nsw.gov.au/sydtraincommunity
