

# More Trains, More Services Drainage upgrade work at Eveleigh **Out-of-hours delivery on Locomotive Street**

Dear neighbour,

We recently informed you about an out-of-hours delivery for the new pump station that is being constructed at the Eveleigh Maintenance Centre. The delivery was scheduled to occur on Locomotive Street overnight on Thursday 16 February 2023.

Please be advised that the delivery has been **postponed** and will now take place **between 11pm Wednesday 22 February and 7am Thursday 23 February 2023**. The delivery will happen at night when traffic volumes are lower to accommodate its oversized nature.

We thank you for your understanding and will make every effort to minimise disruption to our neighbours.

**If you have any questions or would like more on the More Trains, More Services project, please contact our project team on 1800 684 490 or [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au).**
