

# More Trains, More Services

## Thirroul, Port Kembla and Port Kembla North January – February 2023

Transport for NSW acknowledges the Dharawal people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present. We recognise & celebrate the diversity of Aboriginal peoples and their ongoing cultures & connections to the lands and waters of NSW.

The More Trains, More Services program is delivering platform extensions and rail asset upgrades between Sydney's CBD and the South Coast to support the introduction of the Mariyung fleet.

### What work are we doing?

Throughout January and February 2023, we will be completing work across several locations. This work is outlined below.

#### Thirroul

- Installation of four solar lights at the Thirroul Stabling Yard.

#### Port Kembla North

- Completing civil work for combined service routes and installing signalling combined service route, signal pit and ladder pad
- excavating for overhead wiring footings
- pouring concrete for footings
- installing signal base and signalling cables
- replacing signal heads from incandescent to LEDs
- removing redundant signalling base, signal and cables.

#### Port Kembla

- Installing car markers on platform edges
- civil work.

### When and where we'll be working

We will be completing some weekend work from **6pm Friday 20 January until 6am Monday 23 January 2023** in Thirroul, Port Kembla North and Port Kembla.

We will also be working in Port Kembla from **6pm Friday 3 February until 6am Monday 6 February 2023**.

Standard construction hours are **7am to 6pm, Monday to Friday and 8am to 1pm Saturday**.

### What will this mean for you?

You may notice:

- workers and vehicles
- traffic control
- noise from machinery and equipment.

### Changes to car parking

From **6am Tuesday 17 January until 6pm Tuesday 7 February 2023**, we will be reserving **9 commuter car spaces** at Port Kembla. The map below shows the impacted car spaces.

This area will be used to establish a temporary site compound, enabling the team to complete all construction activities while keeping staff and the community safe.

We apologise for any inconvenience and thank you for your patience during this time.

Impacted car spaces at Port Kembla

## Postponed or cancelled work

Due to several factors associated with work in the rail corridor, there is always a possibility that some of our planned work may be postponed or cancelled. If you would like to be updated of cancelled work, please contact us through the formal avenues listed below.

## Managing our impacts

We understand construction activities may cause disruption to our neighbours and every effort is made to minimise impacts where possible.

Mitigation measures we use include on-site monitoring to ensure compliance with strict environmental conditions relating to noise, vibration, and dust management.

## We are going digital

*In 2018, Australia generated 5.9 million tonnes of paper and cardboard waste.*

We are committed to integrating sustainable practices into our projects and reducing environmental impacts.

**In 2023, we will no longer be distributing hard copy notifications to residents on these projects unless requested.**

Instead, we will be digitally distributing construction updates to project-specific email lists.

To help us reduce paper waste, please visit **[yoursay.transport.nsw.gov.au/mtms](https://yoursay.transport.nsw.gov.au/mtms)** and let us know if you would prefer to receive our updates in your inbox instead of your mailbox.

If our work is anticipated to directly impact your property and we do not have your contact details, we will still distribute a paper notification to your address to ensure you are aware of upcoming activities.

## Holiday and shutdown period

We will be continuing our construction activities until **Wednesday 21 December 2022**.

A shutdown period will occur from **Thursday 22 December 2022 until Sunday 8 January 2023**. This means no construction activities will take place during this time.

We would like to wish you all a safe and happy holiday period. We will see you in 2023!
