

Glenfield to Campbelltown Infrastructure Upgrade

More Trains, More Services program

April 2023 – Installation of a temporary site compound

Transport for NSW acknowledges the Buttamattagal people of the Darug Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The More Trains, More Services program will simplify and modernise the rail network creating high capacity, turn up and go services for many customers. The next stages of the program include integrating Sydney Metro City and Southwest into Sydney's train network.

Temporary Site Compound

From Wednesday 19 April until Tuesday 25 April 2023, we will be installing and using a temporary site compound within the rail corridor at Macquarie Fields on Railway Parade (see map below). This is to facilitate work over the weekend to install overhead wiring infrastructure. Weekend work will be undertaken between 6pm Friday 21 April and 7am Monday 24 April 2023.

Installation of the temporary site compound will occur during standard construction hours (7am to 6pm Monday to Friday, and 8am to 1pm on Saturdays).

Contact us

For more information about our project, please visit yoursay.transport.nsw.gov.au/mtms-glenfieldtocampbelltown.

Contact us on 1800 684 490 or email projects@transport.nsw.gov.au for any enquiries. For urgent enquiries or complaints 24 hours please call 1800 775 465.

We would like to thank you, our closest neighbours, for your ongoing support as we work to deliver an improved rail network.
