

Night work on the Mitchell Highway at Pretty Plains from Wednesday 22 February

Essential maintenance is taking place on the Mitchell Highway at Pretty Plains, 20 kilometres east of Orange.

Work on the Mitchell Highway near Byng Road, at Pretty Plains, will involve heavy patching to repair the road. We have included a map to show the location of the work.

We will be working at night from **Sunday** to **Friday** from **8pm** to **6am** and expect the work to take **five nights** to complete, weather permitting. We will let you know in advance if we need to do any work outside these times.

How will the work affect you?

For the safety of motorists and our workers, work will be taking place at night. The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise completing noisier activities earlier in the night and turning off machinery and vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures, intermittent stopping and a reduced speed limit of 40km/h will be in place during work hours. Motorists should allow an extra five minutes travel time. Outside of work hours, the speed limit will return to the signposted limit.

Additionally, on Thursday 23 February between 8pm and 6am there will be no access to Byng Road from the highway. Byng Road residents will be required to access the highway via Gordon Road and should allow an extra 15 minutes travel time.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the [Live Traffic NSW](#) App.

Contact

If you have any questions, please contact the project team on 1800 167 499 or western.projects@transport.nsw.gov.au
