

Mona Vale Road East upgrade

Outside of standard hours work notification

October 2023

Transport for NSW acknowledges the Garigal and Caregal people of the Guringai Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

Transport for NSW is upgrading Mona Vale Road between Manor Road, Ingleside and Foley Street, Mona Vale, from two lanes to four lanes to ease congestion, reduce travel times and improve safety.

Manor Road to Foley Street

To minimise traffic disruptions and reduce safety risks to the workers and road users, we need to carry out some work at night in September.

Work will take place on Mona Vale Road between Manor Road and Foley Street from **8pm to 6am Tuesday 3 October to Tuesday 31 October**, weather permitting.

In line with our environmental license, **we will not work more than two consecutive nights and no more than three nights each week.**

Our upcoming work

In October we will continue work on:

- road maintenance, gate adjustments, barrier movements, line marking, and plant delivery/pick up along the project alignment
- traffic realignment of Mona Vale Road from Lane Cove Road to Foley Street
- construction of the traffic signals around the Ponderosa Parade, Samuel Street and Mona Vale Road intersection
- landscaping along the project alignment.

How will our work affect you

During this out of hours work, machinery and equipment used may include tipper trucks, large trucks, backhoes, elevated work platforms, light vehicles, lighting towers, saw cutting machines, franna, line markers, excavators, and paving machines. This work will be noisy.

We will direct any lighting away from residential properties and turn off machinery when not in use.

The project team will contact directly impacted residents eligible for respite in advance of the work.

If our work is delayed, we will notify you in advance of the new dates.

Traffic changes

There will be temporary traffic changes to ensure the work zone is safe for workers and road users.

This work will be weather dependent and if it does not occur on these nights, we will look to carry out the work the following week.

Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, call [132 701](tel:132701), visit livetraffic.com or download the [Live Traffic NSW](#) for the latest updates.

Location of work area

Night work location - Mona Vale Road

Ingleside work area

Work will continue at our site located off Tumburra Street, Ingleside over the next few months.

Drone photography

In case you see our drone flying overhead, we wanted to let you know we will be using a drone each month to take progress photos and assist with survey work within the project area.
