

Mona Vale Road East Upgrade Project

Out of hours work notification

Transport for NSW | April 2022

Manor Road to Foley Street

We will be working out of hours work on Mona Vale Road between Manor Road and Foley Street from **8pm to 6am Monday 11 April to Friday 22 April**, weather permitting. If our work is delayed, we will notify you in advance of the new dates.

Our work will include road maintenance, barrier movements and plant delivery.

How will our work affect you?

To minimise traffic disruptions and reduce safety risks to the workers and motorists, we need to carry out our work at night.

There will be temporary traffic changes to ensure the work zone is safe for workers and road users. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

During our night work we may use machinery and equipment such as; tipper trucks, large trucks, backhoe, elevated work platforms, light vehicles and lighting towers, saw cutting machine, franna, excavator and paving machine.

If you are eligible for alternative accommodation, we will contact you at least 36 hours prior to the work.

Mona Vale Road West

We will not be working at the Western Early Work site off Tumburra Street, Ingleside during this time.

Contact us

If you have any questions or would like more on the Mona Vale Road East Upgrade project, please contact our project team:
