

Mona Vale Road East Upgrade Project

Out of hours work notification

Transport for NSW | April-May 2022

Manor Road to Foley Street

We will be working out of hours work on Mona Vale Road between Manor Road and Foley Street from **8pm to 6am Tuesday 26 April to Friday 6 May**, weather permitting. We do not work on public holidays.

If our work is delayed, we will notify you in advance of the new dates. Should this not occur on this nightshift we will reschedule to the next available nightshift.

Our work will include:

- road maintenance
- barrier movements
- plant delivery
- utility works along Mona Vale Road between Kennard’s Storage and Hungry Jacks and East of Foley Street

How will our work affect you?

To minimise traffic disruptions and reduce safety risks to the workers and motorists, we need to carry out our work at night.

There will be temporary traffic changes to ensure the work zone is safe for workers and road users.

Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

During our night work we may use machinery and equipment such as tipper trucks, large trucks, backhoe, elevated work platforms, light vehicles, lighting towers, saw cutting machines, franna, line markers, excavator, and paving machine.

If you are eligible for alternative accommodation, we will contact you at least 36 hours prior to the works.

Mona Vale Road West

We will not be working at the Western Early Work site off Tumburra Street, Ingleside during this time.

Drone

A drone will be used each month to take progress photos and assist with survey work within the project area.
