

Mona Vale Road East upgrade

Outside standard hours work notification

September 2023

Transport for NSW acknowledges the Garigal and Caregal people of the Guringai country as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is upgrading Mona Vale Road between Manor Road, Ingleside and Foley Street, Mona Vale, from two lanes to four lanes to ease congestion, reduce travel times and improve safety.

Night work hours

To minimise traffic disruptions and reduce safety risks to the workers and road users, we need to carry out some work at night in September.

Work will take place on Mona Vale Road between Manor Road to Foley Street from **8pm to 6am, Friday 1 September to Saturday 30 September**, weather permitting.

In line with our environmental license, we will not work more than two consecutive nights and no more than three nights each week.

Our upcoming work

In September we will be working on:

- road maintenance, gate adjustments, barrier movements, line markings, and plant and equipment delivery/pick up along the project alignment
- ongoing asphaltting, kerbing, utilities work, and median works between Daydream Street and east of Foley Street
- construction of pavements and medians on Mona Vale Road
- construction of the Ponderosa Parade intersection and new traffic signals.

How will our work impact you?

During this night work, machinery and equipment used may include tipper trucks, large trucks, backhoes, elevated work platforms, light vehicles, lighting towers, saw cutting machines, franna (mobile cranes on trucks), line markers, excavators, and paving machines.

This work may be noisy at times.

Managing our impacts

To mitigate against impacts to you, we will direct lighting away from residential properties and turn off machinery when not in use.

The project team will contact eligible residents directly for respite in advance of this works.

If our work is delayed, we will notify you in advance of the new dates.

Traffic changes

There will be temporary traffic changes to ensure the work zone is safe for workers and road users.

Please keep to the speed limits and follow signs and traffic controllers' directions.

Mona Vale Road West

We will continue our ongoing work on the Western Early Work site located off Tumburra Street, Ingleside over the next few months.
