

More Trains, More Services

Mortdale Maintenance Centre Upgrade

Upcoming night work | **April 2022**

As part of the More Trains, More Services work on the Mortdale Maintenance Centre Upgrade, some deliveries will arrive to site via Hurstville Road outside of standard construction hours on **Thursday 7 April between 1am and 6am**.

Our Environment Team have identified properties where our night work activities may be disruptive, and we will contact you directly if your property has been identified to discuss additional mitigation measures.

We would like to thank you, our closest neighbours, for your ongoing support as we work to deliver an improved rail network.
