

# Mortdale Maintenance Centre Upgrade

March 2023

## Upcoming weekend work

---

As our work at the Mortdale Maintenance Centre approaches completion, we are required to complete some commissioning work outside of standard construction hours between **6pm Friday 3 March and 7am Monday 6 March 2023**.

This work has been scheduled to take place during a Sydney Trains track work period, when no trains are running, minimising disruptions to commuter services and improving the safety for our construction team and customers.

If our noise modelling indicates impacts at your address, we will contact you directly to discuss additional mitigation measures before our work occurs.
