

# Mortdale Maintenance Centre Upgrade

October - November 2022

## Upcoming weekend work

---

Due to a number of unexpected interruptions to our work at Mortdale, we are now planning to demobilise by mid-October and complete all construction work by the end of 2022.

We will be completing some work outside of standard construction hours between:

- 6pm Friday 14 October and 7am Monday 17 October 2022
- 6pm Friday 11 November and 7am Monday 14 November 2022.

This work has been scheduled to take place during Sydney Train's track work periods, when no trains are running, minimising disruptions to commuter services and improving the safety of our construction team and customers.

If our noise modelling indicates impacts at your address, we will contact you directly to discuss mitigation measures before our work occurs.
