

Moss Vale Station and Stabling Yard Upgrade

Community notification

September 2023

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The NSW Government is delivering an upgrade to Moss Vale Station and Stabling Yard to achieve Disability Standards for Accessible Public Transport 2002 (DSAPT) compliance and to accommodate the new Regional Rail fleet.

The project will provide a station precinct that is accessible to those with a disability, limited mobility, parents/carers with prams and customers with luggage, while ensuring it aligns with Moss Vale's transport needs.

Upcoming work

In September we will be carrying out investigations on the footbridges at Argyle Street and Lackey Road and drainage on the tracks and at the station.

Equipment to be used will include elevated work platforms, hand tools, sucker truck and camera to investigate the existing drainage.

Working hours

This work will be between 7am and 5pm on **Saturday 23 and Sunday 24 September 2023.**

Commuter car park

Six parking spaces closest to the station entrance will be temporarily unavailable during this time. A traffic guidance scheme and traffic controllers will be in place to guide pedestrians.

The commuter car park off Dalys Way will be open and not affected by this work.

We apologise for the inconvenience and thank you for your patience while this work is carried out.

All work is dependent on weather and site conditions and is subject to change.
