

Essential maintenance work on the Newell Highway near Edgeroi from 3 February 2023

Transport for NSW is carrying out essential maintenance works on the Newell Highway north of Edgeroi.

Fulton Hogan will be carrying out the work on behalf of Transport for NSW, which includes heavy patching work along the Newell Highway approximately one kilometre north of Edgeroi.

Work will commence from Friday **3 February 2023** and will take approximately **five days** to complete weather permitting.

Crews will be working between the hours of **7am and 6pm** on **weekdays and weekends**. We will let you know in advance if they need to do any work outside these times.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by arranging the work in stages at different locations and turning off machinery and vehicles when not in use.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Single lane closures and a 40km/h speed limit will be in place during work hours and may affect travel times. Outside work hours, both lanes will be opened with a speed limit of 60km/hr subject to the condition of the road.

Motorists should allow up to five minutes extra travel time during this work.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](https://www.livetraffic.com) or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our project team on 1800 167 499 or email western.projects@transport.nsw.gov.au
