

# Normanhurst Station Upgrade

## Transport Access Program

Project completion notification - June 2023

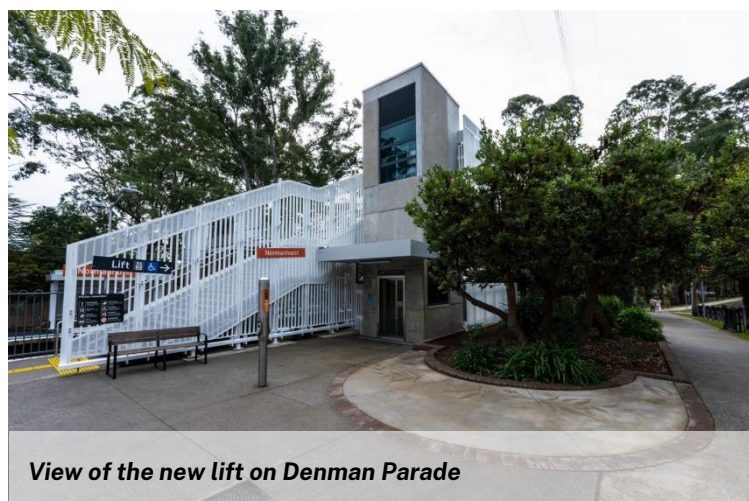

Transport for NSW acknowledges the Darug and GuriNgai peoples as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

### Accessibility upgrade now complete

The Normanhurst Station Upgrade, part of the Transport Access Program to provide a station that is accessible to people with a disability, limited mobility, parents / carers with prams, and customers with luggage, is now complete.

The upgraded facilities and improved accessibility features now available to the community to enjoy include:

- ✓ two new lifts to provide access to the station platforms
- ✓ new weather protection screens and canopies at lift entrances
- ✓ improved accessibility to waiting rooms
- ✓ a new family accessible toilet and male and female ambulant toilets
- ✓ new kiss and ride spaces on Denman Parade
- ✓ new accessible pedestrian pathways throughout the station and entrances
- ✓ new accessible entrance to Platform 1

## Finishing works

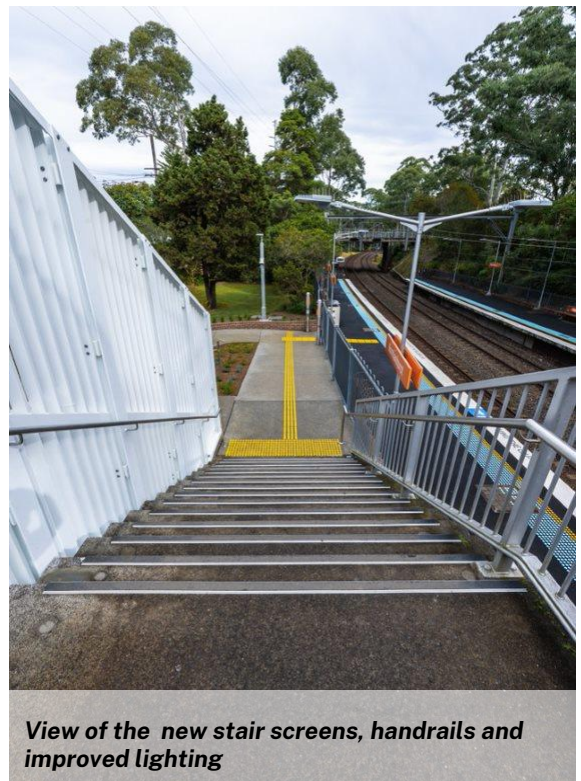

You may continue to see construction staff on site throughout June to July while minor finishing works take place in the coming weeks including landscaping, rectification and electrical work.

## Thank you to the community

We would like to thank the community for their continued support and cooperation during the upgrade of the Normanhurst Station, providing passengers with an accessible, secure and integrated station.
