

# Line marking on Gordon Street and the T-way at Blacktown on 14 August

## North West T-way Bus Layover Facility

August 2023

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The NSW Government is building a new bus layover facility at Blacktown as part of the Bus Priority Infrastructure Program, which aims to improve the reliability and efficiency of bus services, while easing congestion for all road users.

### What work are we doing?

We will carry out the following works:

- permanent line marking at the intersection of Gordon Street and the North West T-way

### Our work schedule

Night work will take place from 8pm to 5am on **Monday 14 August**.

The line marking will be completed over one night shift (weather permitting).

### Traffic changes

There will be a road closure at the intersection of Gordon Street and the North West T-Way during line marking works.

Buses will be detoured via Sackville/ Peter/ Gordon Streets during the works.

Bus services will remain unaffected during the work.

Access for residents, pedestrians, cyclists, and vehicles will always be maintained.

Please keep to speed limits and follow the direction of traffic controllers and signs.

### How will the work affect you?

Equipment used for this activity includes small truck and hand tools. We will do everything we can to lessen the disturbance. This includes:

- turning off vehicle when not in use
- completing noisy work by 11pm

## Location of work area
