

# Temporary closure of Vesuvius Street and parking restrictions on Prospect Highway

## Prospect Highway Upgrade

September 2023

Australian Government

Transport for NSW acknowledges the Dharug people as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Australian and NSW Governments are upgrading 3.6 kilometres of Prospect Highway between Reservoir Road, Prospect and St Martins Crescent, Blacktown to reduce congestion and to help meet future traffic demands on this corridor.

### What work are we doing?

Work will involve line marking, relocating traffic signals, excavation, pavement demolition and construction, installing new drainage, utilities relocation works, kerb and gutter installation and general concrete works.

### When and where we'll be working

From **8pm Wednesday 4 October to 6pm Wednesday 31 January 2024**, access to the intersection of Vesuvius Street and Prospect Highway will be temporarily closed so we can complete works safely.

From **7pm Wednesday 25 October**, northbound traffic will be moved onto the newly constructed lanes to allow work to take place on the southbound side. This work will take approximately 12 months.

### Our work schedule

During this time, our work hours will be:

- Day: Monday to Friday 7am to 6pm and Saturday 7am to 1pm
- Night: Sunday to Thursday 8pm to 5am

### What will this mean for you?

We will be working up to three nights per week, no more than two nights in a row and no more than 10 nights per month.

The night work will involve some use of noisy machinery. We will make every effort to reduce the disturbance where possible, completing noisier work earlier in the evening and turning off vehicles when not in use.

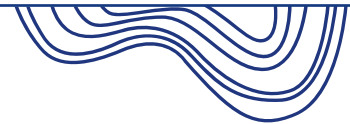

### Traffic and parking changes detours

From **8pm Wednesday 4 October to 6pm Wednesday 31 January 2024**, access to/from Vesuvius Street to/from Prospect Highway will be via a detour through Blacktown Road and Columbia Road, adding an extra three-minute travel time.

From **7pm Wednesday 25 October**, vehicles will no longer be able to park on Prospect Highway between Lancelot Street and St Martins Crescent.

Motorists should follow the direction of signs and traffic controller's direction. Please allow extra time as there may be minor delays.

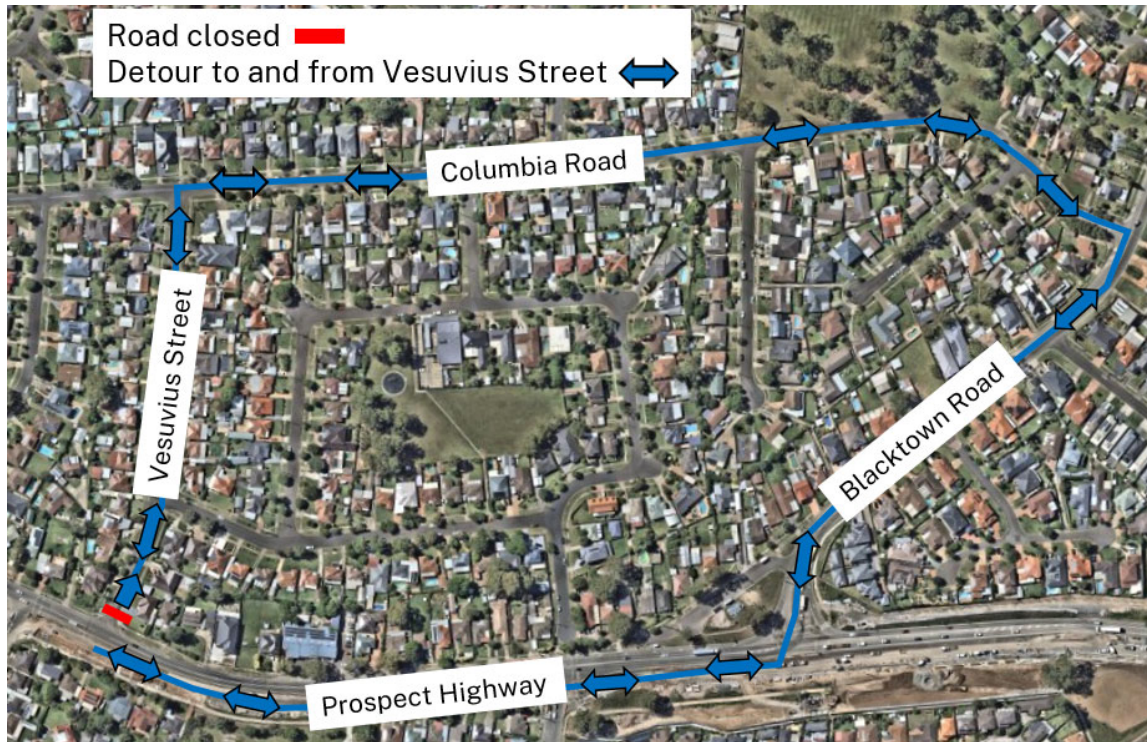

## Location of work area

## Detour to Prospect Highway
