

Regional Safety Summits

Purpose

How can **Transport** and **Councils** work better together to deliver projects?

Transport for NSW representative

OFFICIAL

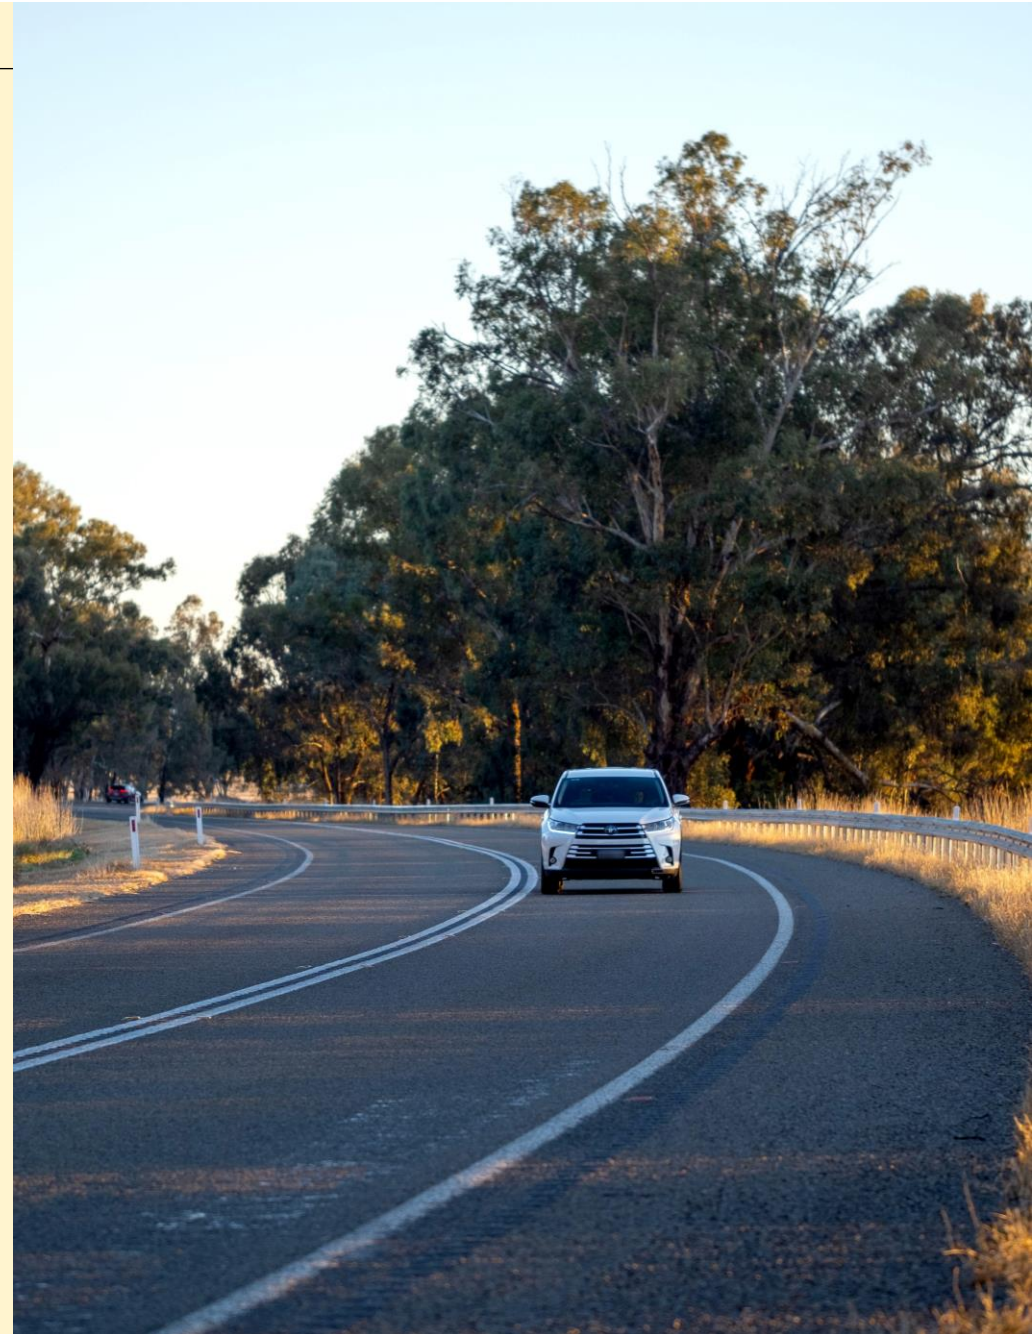

Welcome to the Regional Safety Summits

- Transport for NSW and Local Government working together to create an enduring safety culture
- Building a solid base for a united approach to work health and safety.

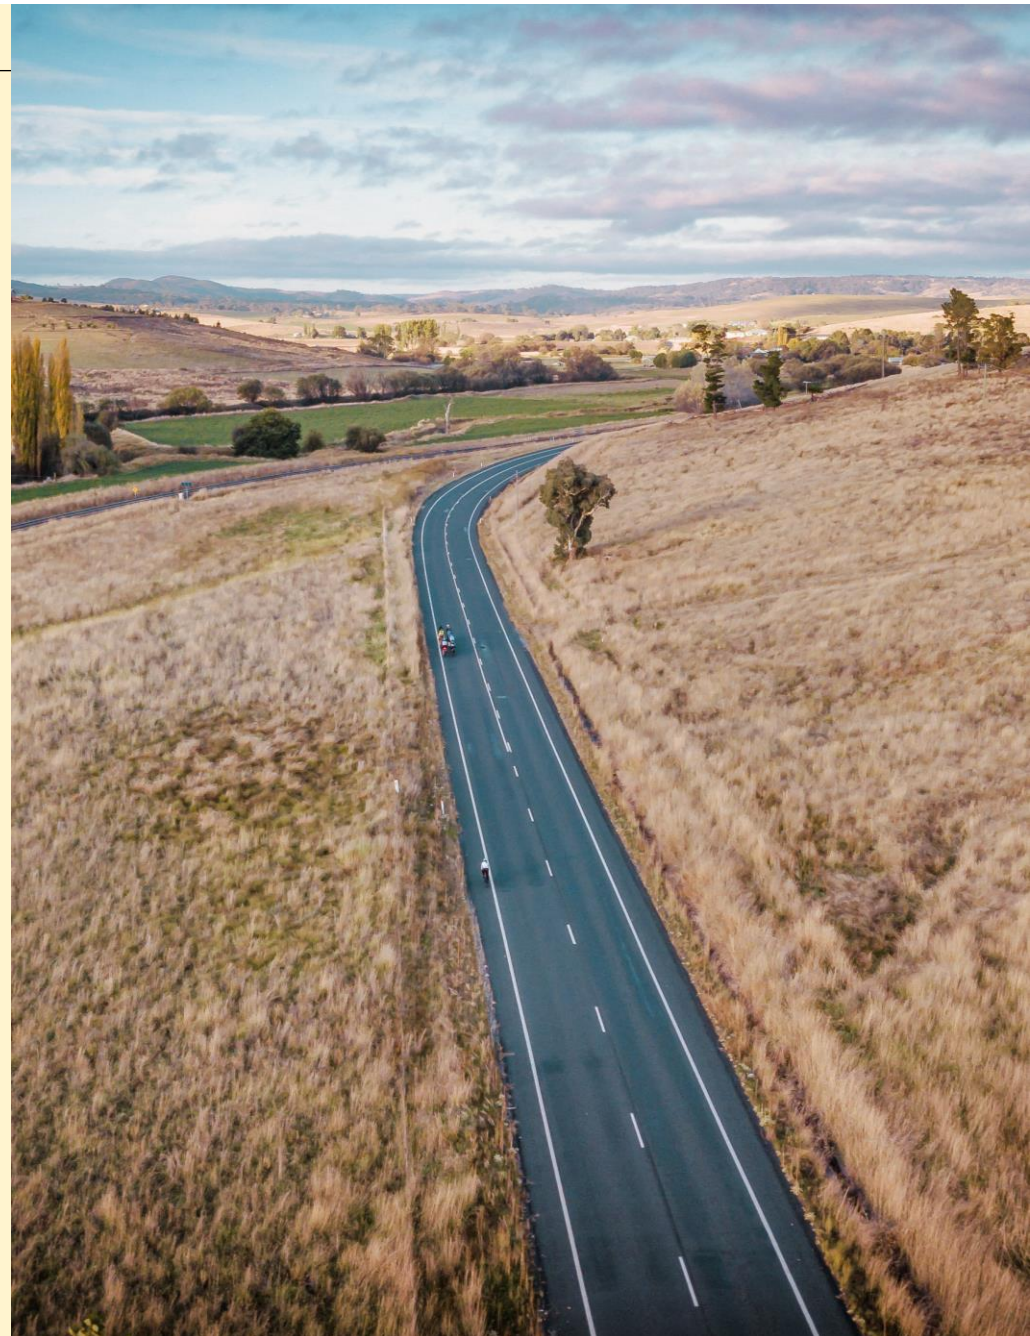

TRANSPORT

Why are we here today?

TRANSPORT

Enforceable Undertaking

What will we learn today?

- **Safety culture** – the importance and responsibility of safety leadership in moving beyond a compliance mindset to a leadership driven safety culture.
- **Primary duties of Officers under the Work Health and Safety Act 2011**
- **Due diligence requirements** of an ‘Officer’ and how to effectively discharge these duties in practice to meet the six pillars of due diligence.
- **Risks and effective risk management principles**
- Common elements and findings identified through **RMCC audit** and assurance program

Local Govt and TfNSW working together on RMCC

- Use this opportunity to hear information, contribute to questions and discussions – it's important and we want to hear from you!
- Look at how we can work better together into the future. Think about the gaps and how we can bridge them
