Sutherland to Cronulla Active Transport Link - Stage 2 East

Community notification

August 2023

Transport for NSW acknowledges the Dharawal people as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The Sutherland to Cronulla Active Transport Link (SCATL) is a pedestrian and bicycle path between Sutherland and Cronulla to help make walking and bike riding a more convenient and enjoyable transport option.

What is happening?

As we build Stage 2 East of the active transport link, some trees and vegetation need to be removed along Denman Avenue at Caringbah. Please see the map on page 2 for location detail.

When we'll be working

We will conduct tree removal work on Denman Avenue in stages commencing **Monday 4 September,** weather permitting, followed by path installation works.

Our work hours are from 7am to 6pm, Monday to Friday, and 8am to 1pm on Saturdays.

The works along Denman Avenue will be delivered in stages and is expected to take around 6 months to complete.

How will the work affect you?

The work will involve:

- setting up traffic controls including temporary lane closures
- temporarily modifying pedestrian access
- establishing safe access at the work site
- removing overhead branches, trees and tree stumps and chipping.

Our work will be noisy at times. Chipping will be completed in stages.

Traffic changes

There will be temporary traffic changes during our work to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132701, visit livetraffic.com or check the Live Traffic NSW App.

Parking changes

We kindly request all vehicles, boats, trailers, and caravans are removed from the construction site, on Denman Avenue, between Banksia Road and Gannons Road by **5am Wednesday 30 August 2023.**

There will also be temporary removal of on-street parking on the residential side of Denman Avenue from Nullaburra Road to Gannons Road when required during construction of the project.

This will enable us to create a safe working area with temporary lane changes in place. We will be in contact with residents to advise of changes to parking and signage will be in place in advance to assist motorists with the changes. We will return on-street parking to the community as soon as we can.
