NDR Training Schedule

December 2023

The **TfNSW Natural Disaster Recovery Taskforce** is conducting on-line information sessions to assist Regional and Greater Sydney Council Officers build their capacity regarding Natural Disaster Recovery (NDR) Funding Applications. Council Officers new to the NDR area, those with limited NDR experience, or those in need of a refresher are strongly encouraged to attend.

During December 2023 the focus of these sessions will be council preparation before an event occurs, and what needs to be done when an event occurs. These sessions are part of the series of 7 sessions previously delivered during 2023 and there is no need for those that have attended those sessions to attend again.

These two short 30-minute information sessions will be held via *Teams* on the dates indicated below. The sessions will be repeated on several dates during December.

Please register by email at TransportNaturalDisasters@transport.nsw.gov.au to advise of your intention to attend.

'**Teams**' Meeting details will be forwarded to attendees upon receipt of registration.
