

Sydney Trains

Strathfield to West Ryde track maintenance

From Monday 17 April to Wednesday 19 April 2023

What we're doing

To improve service reliability, Sydney Trains will complete maintenance works between Strathfield and West Ryde from Monday 17 April to Wednesday 19 April.

Sydney Trains construction and maintenance works include:

- Civil track maintenance
- Ballast cleaning between North Strathfield and Concord West
- Routine signal and electrical maintenance
- Station maintenance works, to improve safety on stations
- Track defect removal to improve network reliability
- Track inspection and preventative maintenance
- Track resurfacing, tamping and rail grinding activities

How this affects you

Noise

- These works may create additional noise at night.
- **Work will take place nightly between 10.20pm and 3.10am from Monday 17 April to Wednesday 19 April.**
- Equipment may be delivered to the worksite outside the above times. Some deliveries may occur at night due to day time travel restrictions on large vehicles.
- Diesel work trains may have their engines running on site for an extended period.
- Final (finishing) works including the removal of equipment may take place beyond the dates stated above.

Traffic and Parking

- Heavy vehicles will be using local streets to access the rail corridor.
- We will park our vehicles inside the rail corridor where possible, however please be aware that on-street parking may be limited near worksite.
- Traffic controllers will be on duty to assist motorists and pedestrians throughout the duration of the works.

We apologise for any inconvenience and thank you for your cooperation during these essential works.
