

# Traffic switch at Bogan Road, Parkes from Monday 16 October

## Parkes Bypass

October 2023

Transport for NSW acknowledges the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

The Parkes Bypass between Maguire Road, and Barkers Road will improve connectivity, road transport efficiency and safety for local and interstate motorists.

Transport for NSW is continuing to deliver the Parkes Bypass. To facilitate the construction of the bypass over the existing Bogan Road, all traffic will be switched onto a temporary side track north of Bogan Road.

### What work are we doing?

In order to ensure the safety and continue with the construction of the Parkes Bypass over the current Bogan Road, all traffic will be switched to a temporary sidetrack situated north of Bogan Road.

Bogan Road side track will continue to be in place until the completion of these works, late 2024.

### When and where we'll be working

All traffic will be switched onto a temporary side track north of Bogan Road starting **Monday 16 October**.

Work hours are between **Monday to Friday** from **7am** and **6pm** and on **Saturdays** from **8am** to **6pm**. This work is expected to be complete in **fifteen months**, weather permitting.

We will let you know in advance if we need to do any work outside these times.

Should this work not proceed as scheduled, work will take place the following week, weather permitting.

### Managing our Impacts

We aim to manage our work to avoid impacts to the community and the environment.

This includes:

- Using watercarts to suppress dust
- Arranging the work in stages at different locations
- Turning off machinery and vehicles when not in use.

### What will this mean for you?

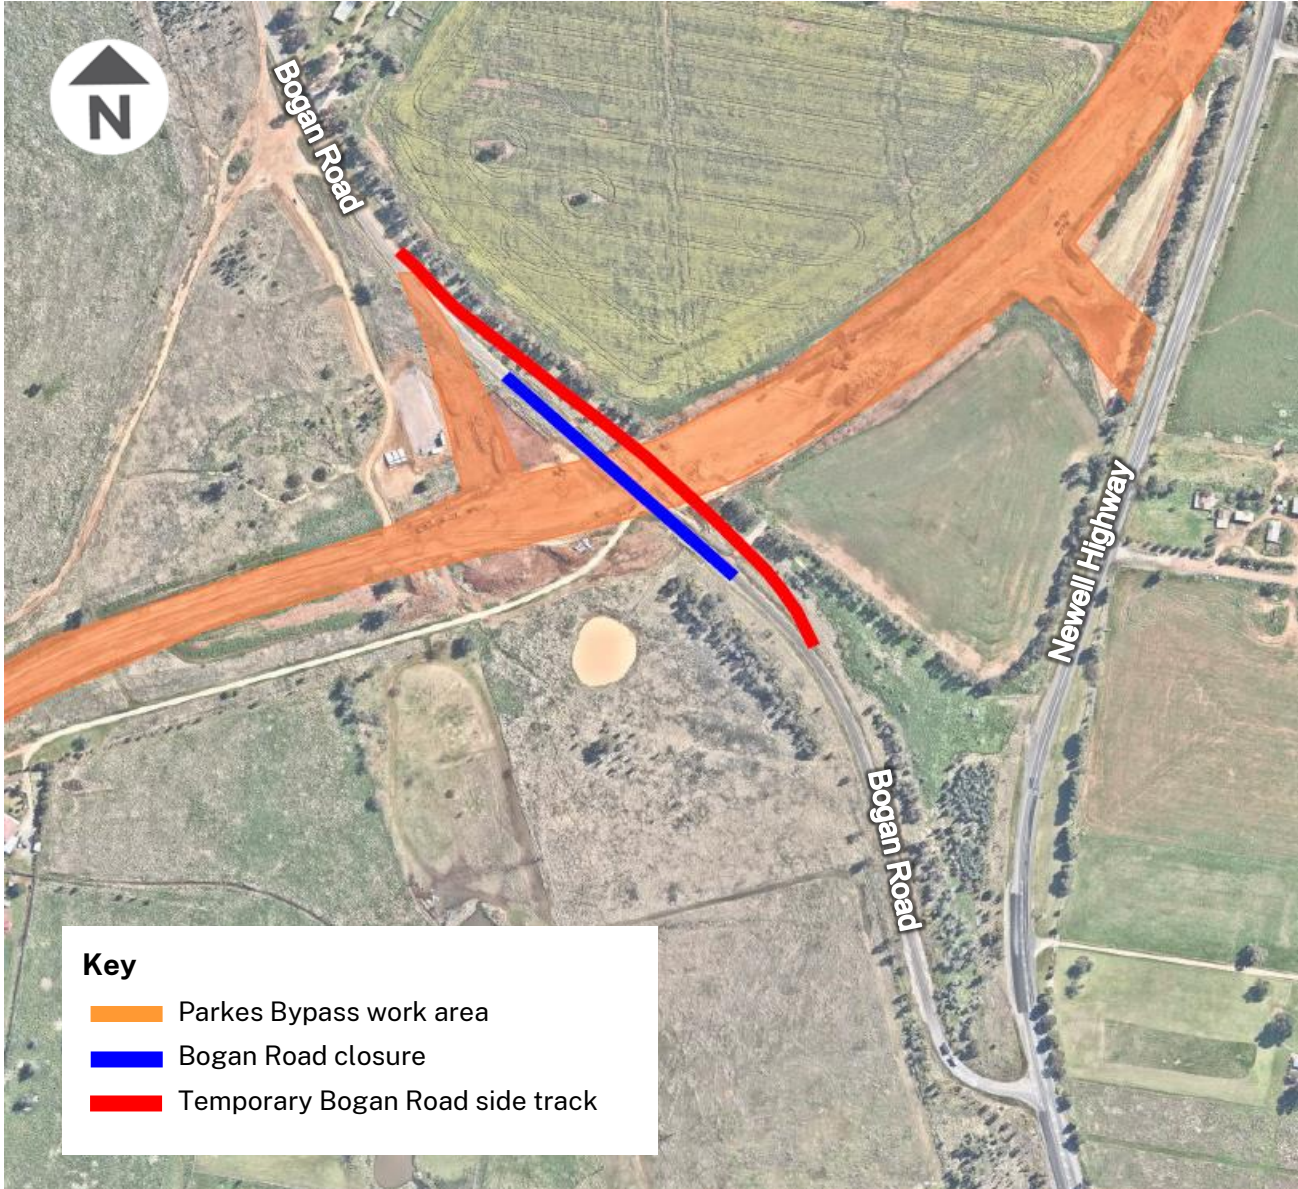

There will be some temporary traffic changes to ensure the work zone is safe.

Changed traffic conditions including a 50km/h speed limit will be in place and may affect travel times. Barriers will also be installed along each edge of the road to allow adjacent works to be completed safely.

There will be times where traffic will need to be stopped to assist with the works.

## Location of Bogan Road side track
