

Mona Vale Road East upgrade

Temporary local road closures to Mona Vale Road

10 to 13 November 2023

Transport for NSW acknowledges the Garigal and Caregal people of the Guringai Nation as the Traditional Custodians of the lands on which we work and pays respect to Elders past and present.

Transport for NSW is upgrading Mona Vale Road between Manor Road, Ingleside, and Foley Street Mona Vale, from two lanes to four lanes to ease congestion, reduce travel times and improve safety.

What work are we doing?

We are removing the existing roundabout at the intersection of Mona Vale Road/Ponderosa Parade/Samuel Street and converting it to a traffic light controlled intersection. Following our last change to the roundabout alignment in early October, our works have progressed to a stage where we need to close the two side streets to complete the final stage of the intersection conversion.

A weekend closure allows the full conversion to be completed while traffic volumes and impacts are lower.

Other works are also planned along the project over this weekend period.

When and where we'll be working

From **6:00pm Friday 10 November to 7:00am Monday 13 November**, weather permitting, there will be a temporary full closure of Ponderosa Parade and Samuel Street to Mona Vale Road, with detours in place through local streets (see map next page).

Emma Street will also be left in/left out only.

One lane will remain open in each direction for all traffic on Mona Vale Road.

Traffic impacts

To reduce safety risks to workers and motorists, we need to conduct works under a partial closure of the intersection over a weekend. If this work does not happen on these dates, we will reschedule for the following two weekends, weather permitting.

To help road users navigate the temporary traffic changes, there will be Variable Messaging Signs (VMS), signposted detours and traffic controllers in place for guidance (see map next page).

- **A detour (heavy vehicles included) will be in place for the closure of Ponderosa Parade at Mona Vale Road through Foley Street (see map).**
- **A detour will be in place for the closure of Samuel Street at Mona Vale Road through Parkland Road and Maxwell Street onto Emma Street (see map). Buses excepted.**
- **Emma Street will be left in/left out only. Use Foley Street to access Ponderosa Parade and Cabbage Street Road/Lane Cove Road to westbound on Mona Vale Road. (see map)**
- **Bus services are not impacted by these works.**

Please keep to the posted speed limits and follow the directions of traffic controllers and signs. Allow for extra travel time.

How will our work affect you?

During these works, we will be using large construction vehicles, construction machinery & equipment including saw cutters, plate compactors, lighting towers and other equipment.

This work will be noisy. Every effort will be made to minimise the impacts by turning machinery and vehicles off when not in use and directing lighting away from properties, where possible.

Residents living along the roads where traffic are to be detoured will experience an increase in traffic. Any residents directly impacted by these works will be contacted individually in advance of the work.

We will notify you of any changes to these planned works via the project VMS boards.
