

Thirroul Station

July 2023

Upcoming weekend work

As part of the More Trains, More Services program at Thirroul, we will be completing survey work, and installation of balise and platform limit plaques for the automatic selective door opening system.

This work will occur between **2am and 11am, Saturday 22 July 2023** outside of standard construction hours (**7am until 6pm Monday to Friday, and 8am until 1pm on Saturdays**). Noise from this work is not expected to be intrusive.

We would like to thank you, our closest neighbours, for your ongoing support as we work to deliver an improved rail network.
