

# Transport Access Program

## Towradgi Station Upgrade

### Community notification

April and May 2023

Transport for NSW acknowledges the Woddi Woddi people of the Dharawal Nation as the Traditional Custodians of the lands on which we work and pay respects to Elders past and present.

The NSW Government is improving accessibility at Towradgi Station. This upgrade is being delivered as part of the Transport Access Program, an initiative to provide a better experience for public transport customers by delivering modern, safe and accessible infrastructure.

### Completed work

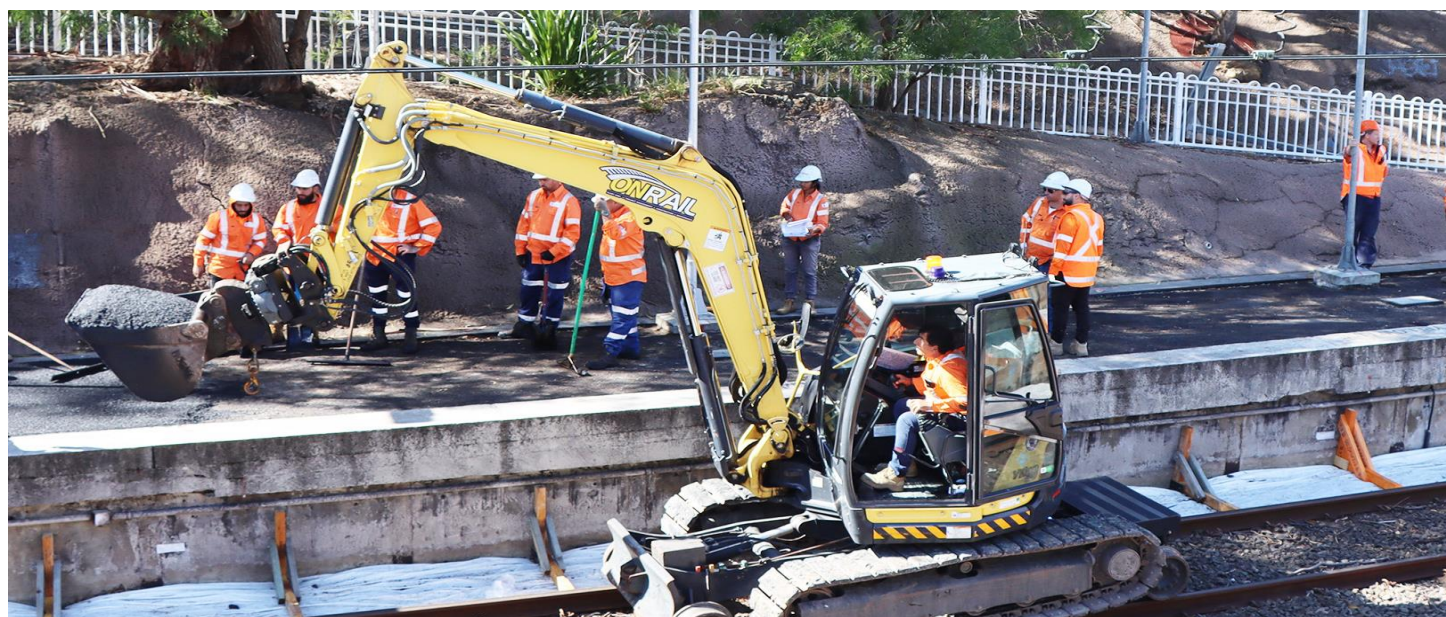

Hoardings on the platforms around the work areas were removed in April and May, revealing the lift entrances and custom-designed patterning on the retaining wall.

In Weber Park, the temporary fences around the new meeting circles and footpaths were removed and the area is now open to the public.

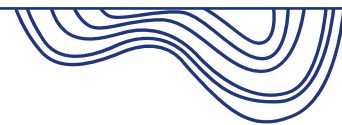

All planned work over the Easter long weekend was completed and both platforms were resurfaced with a temporary yellow line installed.

### Upcoming work

In May, we will be working on finishing touches to prepare for the station opening, including tactile installation, site shed removal and cleaning and defect work.

*All resurfacing work on Platforms 1 and 2 was completed over the Easter long weekend.*

## Out-of-hours work

We will be working from **7am to 6pm Saturday 13 May** to remove the site compound and clean up.

Work should be not excessively noisy. Equipment to be used includes a crane, delivery trucks and hand tools.

## Working hours

We will be working standard construction hours from **7am to 6pm Monday to Friday** and **8am to 1pm Saturday**.

*All work is dependent on weather and site conditions and is subject to change.*
