Transport Connected Bus

Start of shift procedure (depot)
Quick Reference Guide

NSW GOVERNMENT

01 Start the vehicle

02 Tap **Login**

03 Select your **driver ID** from the list
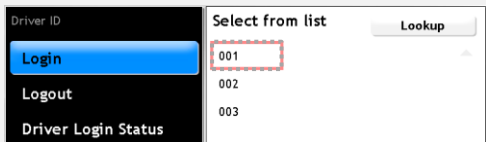

## 04 Tap **Apply**

05 Tap **Run Check**

06 Answer the pre-op check questions

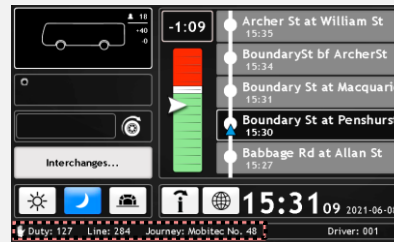

07 Tap **Send**

08 Tap **Select Shift**

09 Scroll and select the correct shift from the list

10 Tap **Apply**

Important

- Trip selection is only done at the start of the shift. On completion of the first trip, the program will display subsequent trips.

- The console is locked when the vehicle is in motion.
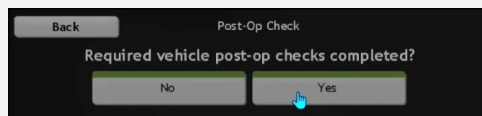

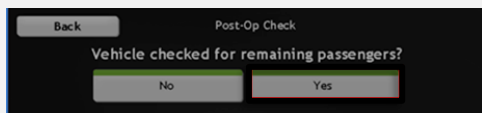

- Select **Charter** for all non-TfNSW trips.

Contact your manager with any questions.

Transport Connected Bus

End of shift procedure (depot)
Quick Reference Guide

NSW GOVERNMENT

01 Tap **Run Check**

02 Answer the **post-op check** questions

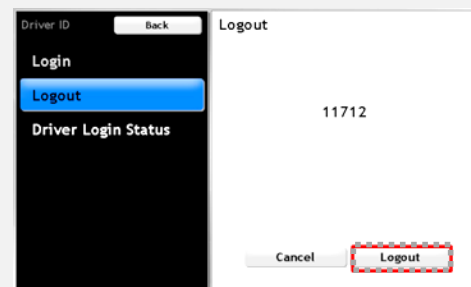

03 Tap **Send**
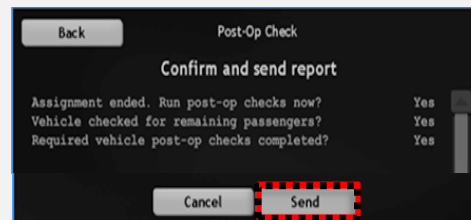

04 Tap the **Driver** field
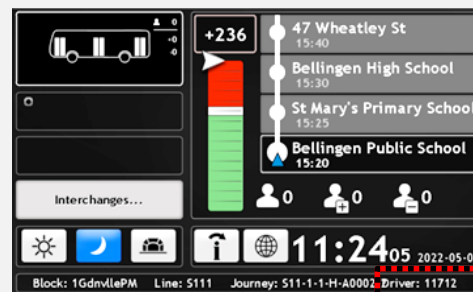

05 Tap **Logout**

Important

- The trip assignment will end when the vehicle passes the last scheduled stop.

Contact your manager with any questions.
