

# Transport Access Program Turrella Station Upgrade

24 January 2023

## Consecutive night work program - cancelled

Dear Neighbour,

We received overwhelming positive feedback to our proposal of extended night works at Turrella Station and we thank the community for their responses. Due to unforeseen circumstances, the works planned for **Monday 30 January to Thursday 2 February** and **Monday 6 February to Thursday 9 February** will not proceed.

We will keep the community updated with our future works via our monthly project updates.

We sincerely apologise for any inconvenience.

For more information about the project, please do not hesitate to contact us on **1800 684 490** or visit <https://www.transport.nsw.gov.au/projects/current-projects/turrella-station-upgrade>
