

## More Trains, More Services

# Waterfall Stabling Yard and Platform Extension Project

Upcoming work | **April 2022**

As part of the More Trains, More Services work at Waterfall, we are required to complete some excavation activity outside of standard construction hours (7am-6pm, Monday to Friday and 8am-1pm on Saturdays) **between 6am and 6pm on Saturday 9 April 2022.**

We understand construction activities may cause disruption to our closest neighbours, and every effort will be made to minimise the impacts where possible, including conducting on-site monitoring to ensure compliance with strict environmental conditions relating to noise, vibration and dust management.

We would like to thank you, our closest neighbours, for your ongoing support as we work to deliver an improved rail network.
