

Waterfall Enabling Work Project

Night work April 2020

Additional night work during April 2020

Further to our monthly notification, the Waterfall Enabling Project team will undertake night work for deliveries of large materials and equipment, excavation for the installation of utilities along the Princes Highway, removal of guard rails and installation of traffic barriers. Due to the proximity of the site to the Princes Highway this work will be carried out at night (subject to weather and site conditions). Traffic control will be in place during this time and every effort will be made to reduce noise impacts during this work.

The project is continuing in accordance with current COVID-19 polices. Mitigation measures, including safe working practices, have been implemented.

Indicative night work calendar – April 2020

Key  evening work (6pm-10pm)  night work (6pm–7am)

Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	Sunday
	31	1	2	3	4	5
6	7	8	9	10	11	12
13	14	15	16	17	18	19
20	21	22	23	24	25	26
27	28	29	30			

Minimising community impact

Some of the work will be noisy and we try to reduce the noise when we can. Some ways we do this include:

- conduct noisy work early in the early evening when possible
- use squawkers rather than beepers on vehicles
- only using noisy machinery when we absolutely have to
- direct the noise and lights away from residents when we can.

Contact information

If you would like to speak with the project team contact us:

- project enquiries line **1800 684 490**
- 24 hours construction response line **1800 775 465**
